Attention: Mr. Richard Gebken, Product Manager 10

Subject: **Notification per PR Notice 98-10**
Repel 25 RTU, EPA Reg. No. 305-61

Dear Mr. Gebken:

Enclosed please find our Notification per PR Notice 98-10 to change the warranty statement on the Master Label for the subject product. We are also taking this opportunity to submit the label in a revised two column landscape format , update the address, and to correct the heading "Hazards to Humans & Domestic Animals" which was inadvertently truncated on the original label. Finally, please note per my e-mail correspondence with Joe Tavano of your team in November, 2003, that a box format for Storage & Disposal is optional. We would like to retain the option of presenting Storage & Disposal and First Aid in paragraph formats rather than boxes when the actual container label is small, as they often are for insect repellents.

This notification is consistent with the provision of PR Notice 98-10 and the requirements of EPA regulations at 40 CFR 156.10 and 152.46 and no other changes have been made to the labeling or the confidential statement of formula of this product. I understand that it is a violation of 18 U.S.C. Sec. 1001 to willfully make any false statement to EPA. I further understand that if this notification is not consistent with the terms of PR Notice 98-10 and 40 CFR 156.10 and 152.46, this product may be in violation of FIFRA and I may be subject to enforcement action and penalties under sections 12 and 14 of FIFRA.

The following documents are enclosed in support of this submission:

- Application for Pesticide (EPA Form 8570-1) – Notification.
- One copy of the revised label, plus one with changes highlighted.
- One copy of the EPA stamped approved label and Final printed labeling.

Please call me at 314-683-2752 if you have questions or need further information. Thank you.

Sincerely,

Kathie J. Tryson
Regulatory Agent

Repel 25 RTU

INSECT REPELLENT

(either in name or stated separately)

Optional marketing claims:

[25% DEET

Repels: mosquitoes, ticks, chiggers, deerflies, stable flies, black flies, gnat and fleas on exposed skin surfaces.

Other Ingredients	75.0 %
TOTAL	100.0 %

KEEP OUT OF REACH OF CHILDREN

WARNING. See back panel for precautions.

Net Contents 4 fl. oz. (118 mL)

Back labeling

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.**

Apply over all exposed skin to repel biting insects. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray in enclosed areas. Do not spray directly on face. If used on the face, spray on hands first then apply sparingly to face and ears. Do not apply near eyes and mouth. Avoid over-application. Do not apply over cuts, wounds or irritated skin. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Do not apply to children's hands.

- Works on clothing too: Spray shirts, pants, and hats. For ticks, chiggers and fleas apply to tops of socks and around openings of outer clothing.

After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

[Paragraph format may be used if label is small.]

STORAGE AND DISPOSAL

PESTICIDE STORAGE: Store in a cool, dry place inaccessible to children. Do not contaminate water, food, or feed by storage and disposal. **CONTAINER DISPOSAL:** **If empty:** Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

WARNING Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed. Use of this product may cause skin reactions in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

4/6

[Paragraph format may be used if label is small.]

FIRST AID**If in eyes:**

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If swallowed:

- Call a Poison Control Center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a Poison Control Center or doctor.
- Do not give anything by mouth to an unconscious person.

If you suspect a reaction to this product:

- Discontinue use;
- Take off contaminated clothing;
- Rinse skin immediately with plenty of water for 15-20 minutes;
- Call a Poison Control Center or doctor for treatment advice.

Call a Poison Control Center or doctor for further treatment advice. Have the product container with you when calling a Poison Control Center or doctor, or going for treatment. For additional information in case of emergency call [toll free] 1-888-880-1181.

Physical and Chemical Hazards

FLAMMABLE - Keep away from heat, sparks and open flame.

[Do not apply to synthetic fabrics such as acetate, rayon or spandex. Will not damage cotton, wool and nylon. May damage furniture finishes, leather, plastics, painted and varnished surfaces including watch crystals, guns, bows and automobiles.]

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
