 327-93

NET WEIGHT: 14 OUNCES AVOIR.

**DIRECTIONS:**

Direct nozzle opening away from you, press valve, and spray area to be treated or surface where insects crawl. When sprayed directly on insects, the pests are quickly paralyzed and killed. For roaches, spray should be applied along baseboards and cracks where roaches hide and crawl as well as on surfaces behind and beneath cabinets, refrigerators, stoves, around water pipes, and sinks. Repeat treatment as necessary for control.

For Brown Dog Ticks: Spray infested areas around baseboards, door and window frames, wall cracks, animals sleeping quarters, and affected areas. Applications of spray should be repeated as reinfestation occurs. Caution: Do not spray dogs.

# TPC HOUSEHOLD ROACH SPRAY

**KILLS ROACHES, ANTS, SPIDERS, WASPS & BROWN DOG TICKS**

**ACTIVE INGREDIENTS:**

O, O-diethyl O- (2-isopropyl-4-methyl-6-pyrimidinyl) Phosphorothioate*	0.33%

**Technical Piperonyl Butoxide	0.15%
N-octyl bicycloheptene dicarboximide	0.20%
***Technical Chlordane	1.00%
Refined Petroleum Oil	48.26%
<b>INERT INGREDIENTS:</b>	50.00%
Total	100.00%

\*Diazinon is a registered trademark of CIBA-GEIGY Corporation.  
 \*\*Equivalent to 0.12% (Butylcarbityl) (6-propylpiperonyl) ether and 0.03% related compounds.  
 \*\*\*Equivalent to 0.60% octachloro-4, 7-methanotetrahydroindane and 0.40% related compounds.

**WARNING:** Keep out of reach of children. See side panel for additional precautions.

For flies, mosquitoes, spiders, wasps, and ants use outside as an aid to reduce the annoyance of these pests. Spray outside surfaces of screen doors, window frames, around light fixtures, or other surfaces where these insects alight or crawl. For ants, spray hills and runways. Repeat treatment as needed.

Warning: Harmful or fatal if swallowed. If swallowed, do not induce vomiting. Call a physician immediately.

Warning: Repeated or prolonged contact with skin can cause toxic symptoms. Avoid inhalation. Avoid contamination of foods and food utensils. In case of contact with skin, wash thoroughly with soap and water.

Warning: Contents under pressure. Do not store at temperatures above 130° F., puncture, or incinerate container. Avoid prolonged exposure to sunlight. Do not use or store near heat or open flame.
