1 Fl. Oz.

Getem

ANT POISON

Active Ingredients:
 Sodium Arsenite 0.28%
 Inert Ingredients 99.74%
 Total Arsenic expressed
 as metallic 0.145%

All in Water Soluble Form
**DANGER—Keep Out of Reach of
 Children. See Antidote, Back Panel.**
GETEM MFG. CO.-Norfolk, Va.

DIRECTIONS

For Argentine and many other Household Ants

Drop 10 to 15 drops around where you see the Ants Working. Place Ant Poison in Places Inaccessible to Children and Pets. Repeat as often as necessary. Ants usually disappear in three or four days, except in the fall of the year when some Ants are storing their food and it will take longer. Do not reuse container for any purpose.

ANTIDOTE: Give mustard and salt mixed in warm water, then sweet oil, Milk or Butter.
