

DIRECTIONS FOR USE

Don't Waste — a little goes a long way! **To Spray:** Remove protective cap. Hold container upright. Point valve opening away from face, push button. For **FLYING INSECTS:** Flies, Mosquitoes, Small Flying Moths, Gnats, Wasps: No need to spray directly at flying insects—the mist in the air will kill them. Close all doors and windows. Spray up into the air with a sweeping motion keeping about 3 feet from interior walls, fabrics, furniture and plants. Keep room closed 15 minutes. **Don't Waste** — a little goes a long way! About 4.5 seconds of spraying clears 1000 cubic feet. For **CRAWLING INSECTS:** Roaches, Waterbugs, Silverfish, Crickets: Spray hiding places, baseboards and floor boards, molar holes, openings around sinks, drains and pipes, behind cabinets, closets and other storage areas, hitting as many spots as possible. Repeat as needed. **ANTS:** Spray along hills, around window frames and openings around doors and baseboards where ants crawl, hitting as many spots as possible. **SPIDERS, CENTIPEDES, MILLIPEDES:** Spray walls and the places where they hide, hitting as many spots as possible. Repeat as needed. **CARPET BEETLES:** Hit these bugs directly with spray on sections of floor, baseboards, shelves and carpets. Repeat spraying at frequent intervals. **BEDBUGS:** Spray baseboards, bookshelves, floor boards, Spray mattresses, particularly around seams and tufts. Take beds apart and spray into all joints. Repeat spraying at frequent intervals. **FLEAS:** Spray floors, floor coverings and sleeping quarters for pet. Repeat spraying as often as necessary. Do not spray pets.

CAUTIONS

KEEP OUT OF REACH OF CHILDREN. Avoid inhalation of spray mist. Avoid contact with skin. Do not remain in treated areas and ventilate the area after treatment is completed. Avoid contamination of food and foodstuffs. Foods should be washed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before using. When using the product in these areas, spray only when plant is not in operation. Remove pets, birds and cover fish aquariums before spraying. Keep spray in constant motion at least 20 inches away from walls, fabrics, furniture, floor, ceiling, etc. Spraying closer may cause stains of wall, ceiling, curtain, floor or plants. Apply this product only as specified on this label.

WARNING

Contents under pressure. Do not puncture. Do not use if valve near head or cap is missing. Exposure to temperatures above 120° Fahrenheit may cause bursting. Never throw container into fire or incinerator.
