## DISINFECTS, CLEANS, DEODORIZES

### Directions

(As a Preventative Measure  
and Aid in Disinfecting)

**For General Cleaning and Disinfecting:** Use 1 part Disinfectant to 79 parts water. For best results add the water to the Disinfectant. This solution will aid in disinfecting and deodorizing.

**Toilet Rooms:** Use 1 part Disinfectant to 79 parts water. Wash bathtub, seats, bowls, sinks, urinals, floors and baseboards with the solution at least twice a day.

**For Toilet Bowls:** Add 4 oz. of this product directly into the residual water in the bowl. Make certain to swab all inner bowl surfaces.

**Steamships, Airships, Railroads and Buses:** With a solution of 1 part Disinfectant to 79 parts of water, scrub floors, wipe seats, woodwork, baths and toilets. Also for cleaning pantries, cabins and passageways.

**Schools, Factories, Institutions, Public Buildings:** Use a solution of 1 part Disinfectant to 69 parts water for mopping and spraying all rooms, hallways, stairs, and lockers.
