 ID UNDER NO.

334-317

This powerful hospital disinfectant and deodorant acts quickly on germ laden surfaces such as: Refuse Cans, Toilet Seats, Telephones, Wash Basins, Urinals, Laundry Chutes, Door Knobs, Metal Beds and Springs, Wheel Chairs, Linen Carts, Hampers, Dressing Carts, Clean-Up Carts, Air Ducts, Light Switches, Office Machinery, and other equipment, after the surface has been properly cleaned. Will reduce the hazard of cross infection by bacteria.

Non-selective odor suppressant for space odor conditioning and deodorizing surgical dressings. Molecular aerosol deodorant. Attacks malodor at the source. Does not cause anosmia. Suppresses and eliminates odors by chemically neutralizing odor-producing materials.

Effective on odors from any source in hospitals, nursing homes, ambulances, from post-colostomy, post-ileostomy dressing and bags, malignant diseases, homes, kitchens, bath rooms, industrial plant processes, food processing and packaging plants and food stores.

Acts instantly and remains effective for long periods on unpleasant odors from fecal matter, urine, burns, smoke, mildew and mold, decay, garlic, onions, food putrefaction, perspiration, stale air, tobacco, sick rooms, musty closets, fish.

WARNING— CAUSES EYE IRRITATION. Do not get in eyes. In case of contact with eyes, flush at once with water for 15 minutes. Call a physician. Avoid skin contact. Avoid breathing of spray mist. Use adequate ventilation. Avoid contact with food.

CONTENTS UNDER PRESSURE: Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120° F. DO NOT USE NEAR HEAT OR FLAME.

**TUBERCULOCIDAL-STAPHYLOCIDAL
 BACTERICIDAL
 FUNGICIDAL-PSEUDOMONICIDAL
 CONTROLS MILDEW (MOLD OR FUNGI)**

Disinfects Influenza A₂/Hong Kong Virus
 on inanimate environmental surfaces.

DISINFECTANT #2

**POWERFUL - PLEASANT
 QUICK ACTING**

Hospital

**DISINFECTANT
 DEODORANT**

CAN SIZE 24 OZ.
 NET WT. 20 OZ.

WARNING: KEEP OUT OF REACH OF CHILDREN.
 SEE SIDE PANEL FOR FURTHER PRECAUTIONS

**This Product Will Control the
 Following Organisms:**

- ASPERGILLUS NIGER
- ESCHERICHIA COLI
- MYCOBACTERIUM SMEGMATIS
- PENICILLIUM GLAUCUM
- PSEUDOMONAS AERUGINOSA
- SALMONELLA CHOLERAESUIS
- SALMONELLA SCHOTTMUELLERI
 (PARATYPHOID B)
- SALMONELLA TYPHOSA
- SHIGELLA PARADYSENTERIAE
- STAPHYLOCOCCUS AUREUS
- STREPTOCOCCUS PYOGENES
- TRICHOPHYTON INTERDIGITALE
- TUBERCLE BACILLI

Controls mildew (mold or fungi).
 Completely inhibits growth on cloth.

DIRECTIONS:

SHAKE WELL BEFORE USING.

FOR DISINFECTING:

Hold dispenser upright about 6 to 8 inches from surface to be disinfected and spray 3 seconds until surface is wet.

FOR DEODORIZING:

Hold dispenser upright—point the opening away from face. Spray into air towards the center of room for about 4 seconds.

FOR MILDEW CONTROL:

Clean surface. Spray surface until wet. Repeat application every week to maintain control.

IMPORTANT:

Do not use on polished wood, furniture or rayon fabrics.

EPA Reg. No. 334-317 AB

INTEGRATED PESTICIDE
FUNCTIONAL REPLICIDE ACT
FOR EPICIDE POLSON REGISTER-
ED UNDER NO. 334-360

Destroys odors ... leaves natural fresh lemony scent.
Acts instantly to eliminate (not just "cover up") cooking, bathroom, sickroom, pet odors. Refreshens smoke-fouled rooms and fabrics. Unlike ordinary "air fresheners", stops odors at their source by killing odor-causing bacteria and preventing mold and mildew -- in empty garbage and diaper pails, toilet areas, under sinks, and in hampers.

Kills flu virus, dangerous staph and strep germs on household surfaces.
Same full-strength, germicidal formula as used in hospitals for years to kill many harmful germs in operating and delivery rooms, obstetric wards. Kills household germs on contact. Kills TB germs. Kills Athlete's Foot fungi. Dries quickly, leaves no stains. Micro-mist spray penetrates into cracks, crevices liquid disinfectants can't reach. Use regularly on or around sinks, bathtubs, shower stalls, toilet seats, telephones, garbage cans, pet areas -- wherever disease germs and germ-caused odors are a problem.

Prevents mold and mildew.
Special fungicidal ingredients stop mold and mildew on fabrics for 30 days, on leather for 7 days. Use in finished basement, attic, closets, laundry and storage rooms. Also spray on mattresses, pillows, shower curtains, books, leather goods, rugs, upholstery, other fabrics.

Directions.
TO DISINFECT: Hold can 6" to 8" from surface and spray 2 to 3 seconds until covered by mist.
TO DEODORIZE: Spray into air 3 to 5 seconds depending upon size of room.
TO PREVENT MOLD AND MILDEW: Spray on surface until moist. Repeat weekly to arrest regrowth on leather and as necessary on cloth.

WARNING - Causes eye irritation. Do not get in eyes. In case of contact with eyes or skin, flush at once with water for 15 minutes. Call a physician. Avoid skin contact. Avoid breathing of spray mist. Use with adequate ventilation. Avoid contact with food.

FLAMMABLE MIXTURE: Do not use near fire, sparks or flame.
CONTENTS UNDER PRESSURE: Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120° F.

Do not use on polished wood, furniture or rayon fabrics.

ACTIVE INGREDIENTS: 54.580%
Orthophenylphenol 0.176%, Paratertiaryamylphenol 0.044%,
