**PRECAUTIONARY STATEMENTS**  
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**  
CAUTION

Avoid breathing spray mist or vapor. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. May be harmful if swallowed. Cover fish aquariums, and remove birds and other pets from area before treatment.

Do not get spray on foods, feeds, or surfaces that they may contact. Remove or cover all food and feed during treatment. All food and feed processing surfaces should be covered during treatment, or washed with soap or detergent and rinsed with potable water before using. Treat food and feed processing areas only when the facility is not in operation.

**STATEMENT OF PRACTICAL TREATMENT**

**IF IN EYES:** Flush immediately with water, then remove any contact lenses. Flush eyes again with plenty of water. Call a physician if irritation persists.

**PHYSICAL/CHEMICAL HAZARDS**

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F (54°C) may cause bursting.

May stain finished surfaces and fabrics if sprayed too closely.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**GENERAL:** SHAKE WELL BEFORE SPRAYING. Remove protective cap. Hold container upright. Point spray opening away from persons and pets.

**TO KILL FLIES, MOSQUITOES, SMALL FLYING MOTHS, AND GNATS:** Close all doors and windows, and direct spray upward into center of room with a slow, sweeping motion. Spray 5 to 10 seconds for average room of 1,000 cu. ft. (28 m<sup>3</sup>). Keep spray nozzle at least 3 ft. (1 m) away from surfaces. Keep room closed for 15 minutes after spraying; ventilate thoroughly before re-entry.

**TO KILL ROACHES, WATERBUGS, CRICKETS, AND ANTS:** Spray baseboards, cracks, crevices, moist areas, openings around sinks and pipes, and other hiding places. Spray directly on as many insects as possible. Spray ant hills, ant trails over window and door sills, and trails and nests in other locations. Repeat treatment as often as necessary for control.

**STORAGE AND DISPOSAL**

**STORAGE:** Keep in a cool, dry, locked area away from flames, sparks, and other sources of heat or ignition. Containers heated above 130°F (54°C) may burst.

**DISPOSAL:** Refasten protective cap on container and discard in trash. Do not incinerate or puncture.
