

ACCEPTED
 87 JUN 1978
 UNDER THE FEDERAL INSECTICIDE,
 FUNGICIDE AND ROVINE ACT
 FOR ECONOMIC INSECTICIDES REGISTERED
 UNDER NO. 334-395 SUBJECT
 TO ATTACHED COMMENTS.

Directions: Remove cap, hold dispenser upright. Point spout opening away from face then push button. Spray at the rate of one square foot of material per second so as to thoroughly moisten the wools with the spray. One treatment protects during a 12 month storage period unless removed to wash or dry clean, if so, treatment must be repeated.

CAUTION: Avoid contamination of food. Do not spray on skin of humans or pets. Remove bird cages, pets and fish bowls from room before spraying. Avoid breathing spray mist. Keep out of reach of children. Do not smoke while spraying. Avoid contact with skin. In case of accidental contact wash with soap and water.

MAY BE HARMFUL IF SWALLOWED.

WARNING: Flammable! Contents under pressure. Do not use near fire, sparks or flame. Do not puncture or incinerate container. Exposure to temperatures above 130 F may cause bursting.
