

The efficacy data supports 3 months, 4 weeks is a marketing claim. Only one will appear on label per conversation with registrant and AgreEvo. BSE

Kills on contact • Water-based formula
 No oily or solvent residue • Spray any direction - even upside down
 Seeks out bugs where they hide • Nonstaining • Kills lice and their eggs on inanimate objects
 No unpleasant odor • Controls fleas and ticks on dogs for 14 days
 Protects for up to 4 weeks • Protects for up to 12 weeks • Protects for up to 3 months
 Water-based formula provides broad spectrum dual-killing action without oily residues and staining. Use on floors and carpets without staining. Contains synergized fast-killing knockdown active ingredient to kill on contact and a residual active ingredient for continued killing on treated surfaces.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if inhaled. Avoid breathing vapor or spray mist. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Provide adequate ventilation of area being treated. Do not apply to humans or contaminate food, foodstuffs, dishes or utensils. Cover and avoid spraying fish aquariums. Cover or remove exposed food, dishes, utensils and food-handling equipment. Do not allow children or pets to contact treated areas until surfaces are dry.

PHYSICAL OR CHEMICAL HAZARDS

CONTENTS UNDER PRESSURE. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Do not use in or on electrical equipment due to possibility of shock hazard.

STATEMENTS OF PRACTICAL TREATMENT

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
FOR HOUSEHOLD USE: SHAKE CONTAINER WELL BEFORE EACH USE. Apply to surfaces only, not up into air. Spray directly on insects whenever possible. Point spray opening toward target and press button firmly. Hold 12-15 inches from target being sprayed. Spray until surfaces are wet. Repeat treatment as necessary.

ROACHES, WATERBUGS, SILVERFISH, CRICKETS, SCORPIONS, SPIDERS, MILLIPEDES, CENTIPEDES, SOWBUGS: Spray until wet into hiding places such as cracks around baseboards and crevices and other hiding places. When bugs are driven out, spray directly whenever possible.

ANTS: Apply to ant trails and around doors and windows, and wherever ants enter house.

BEDBUGS: Spray mattresses, particularly around tufts and seams. Take beds apart and spray into all joints. Treat baseboards, moldings and floors. Repeat treatment as necessary. Allow all sprayed articles to dry thoroughly before use.

FLEAS AND TICKS (ADULTS AND LARVAE): Remove and thoroughly clean or destroy pet bedding. Spray pet sleeping quarters, bed, entire floor and floor covering, with special attention to cracks and crevices around baseboards, and window and door frames. Treat infested upholstered furniture and mattresses. Make a test application to upholstery or drapery fabrics in an inconspicuous place before use.

FLEAS, TICKS AND LICE ON DOGS: Starting at the head, stroke against the lay of the hair, spraying the parted fur in short bursts, directly behind the hand to insure penetrating the coat. Dampen the fur back to tail. Repeat application weekly if necessary to control infestations. **NOTE:** Not recommended for use on puppies less than four weeks old. Do not use on old, sick or debilitated animals. Do not use on cats.

LICE AND LOUSE EGGS: Use only on those garments and parts of bedding, including mattresses and furniture, that cannot be either laundered or dry cleaned. First spray in an inconspicuous area to test for possible staining or discoloration. Inspect again after drying, then proceed to spray entire area to be treated. Spray from a distance of 8-10 inches. Spray each square foot for three seconds. Allow all sprayed articles to dry thoroughly before use.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry area inaccessible to children and away from heat or open flames. Do not transport or store below 32°F.

DISPOSAL: This container may be recycled in the few but growing number of communities where (steel) aerosol can recycling is available. Before offering for recycling, empty the can by using the product according to the label. (Do not puncture!) If recycling is not available, wrap the container and discard in the trash.

MANUFACTURED BY
Mysan
 a division of
 Specialty Chemical Resources, Inc.
 9055 Freeway Drive
 Macedonia, OH 44056
 800-288-3431
 1097 Made in U.S.A. 56304

For Household (Residential) Use Only
 Contains no CFCs or other ozone-depleting substances.
 Federal regulations prohibit CFC propellants in aerosols.

ACTIVE INGREDIENTS:

Pyrethrins	0.100%
Permethrin [(3-phenoxyphenyl) methyl (±)cis/trans 3-(2,2-dichloroethyl) 2,2-dimethylcyclopropanecarboxylate]	0.200%
**Piperonyl Butoxide Technical	0.500%
INERT INGREDIENTS	99.200%
TOTAL	100.000%

* Cis/trans isomer ratio: min. 35% (±)cis and max. 65% (±)trans.
 ** Equivalent to min. 0.4% (butylcarbityl) (4-propylpiperonyl) ether and 0.1% related compounds.

EPA Reg. No. 334-570 EPA Est. No. 34702-OH-1
KEEP OUT OF REACH OF CHILDREN.
CAUTION
