Gentlemen:

Subject: Methyl-1,2,4-triazole
EPA Registration No. 012971
Registration Expires April 12, 1981

BEST DOCUMENT AVAILABLE

This agreement to add a restricted use label and conditions to the additional use label, Methyl-1,2,4-triazole, is being accepted as an administrative action in accordance with Section 102.42(b)(1) of the Act, for which no consideration of data is necessary.

Subject this matter of your finished printed label is described in the A-79 enclosure. When labels must be submitted to the Agency before you release the product to market, you should refer to Section 102.42(b)(1) of the Act, dated June 19, 1981. Refer to Section 102.42(b)(1) of the Act for the label conditions for general handling and use. Failure to comply with these requirements may result in penalties for non-compliance.

The Agency is not providing you with a copy of the registration records. Your records should contain the registration records for the product. If you have any questions, please contact the registration office at the address above.
