Dear Mr. Wellings:

1. The Environmental Hazard Statement should read "Do not contaminate water when disposing of equipment washwaters. Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark."
2. Change the 3rd paragraph in the Storage and Disposal Statement to read "Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of liner in a sanitary landfill, or incineration, or if allowed by state and local authorities, by burning. If bumed stay out of smoke."
