

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS

DANGER

FOR USE IN COMMERCIAL
SHIPYARDS ONLY

Before using read Du Pont Material Safety
Data Sheet for this product

Corrosive. Causes skin burns. Wear protective clothing such as gloves, long-sleeved cotton shirt, long pants, and hat. Causes eye irritation. May be fatal if swallowed. Harmful if absorbed through skin or inhaled. This product may be a dermal sensitizer. Avoid contact with skin, eyes, or clothing. Avoid breathing vapor or spray mist. While spraying paint or sanding boat surface, wear a mask or respirator jointly approved by the Mining Enforcement and Safety Administration and the National Institute for Occupational Safety and Health. Wash thoroughly with soap and water after handling and before eating or smoking. Use with adequate ventilation.

ENVIRONMENTAL HAZARDS

This material is toxic to fish. Do not apply directly to water by cleaning of equipment or disposal of wastes. Do not allow chips and dust generated during paint removal to enter water. Dispose of paint debris in an approved landfill.

**PHYSICAL OR
CHEMICAL HAZARDS**

FLAMMABLE.

Keep away from heat or open flame. Keep container closed when not in use. In case of fire, use water spray, foam, dry chemical or CO₂.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product is an anti-fouling paint for steel ship bottoms that provides below-the-water protection from barnacles and other fouling marine animals in tropical, Gulf Coast and northern waters.

STORAGE AND DISPOSAL

Pesticide, spray mixture or rinse water that cannot be used according to label instructions must be disposed of according to Federal or approved state procedures under Subtitle C of the Resource Conservation and Recovery Act.

Metal containers should be triple rinsed (or equivalent). Then offer for recycling or re-conditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.
