Wilmington, Delaware 19880-0038

Subject: Revised Labeling--Environmental Hazards Statement  
DuPont Technical Vendex Miticide  
EPA Registration Number 352-479  
Your Submission Dated July 14, 1995

Dear Ms. Hawkins:

Your submission of July 14, 1995 was an application for reregistration or "8-Month Response," and was addressed to Edward Setren of the Special Review and Reregistration Division. The submission was part of the reregistration process for the active ingredient fenbutatin oxide, and will be reviewed accordingly.

Because of your interest in receiving stamped ("Accepted") copies of the most recent labeling, however, we have treated the revised labeling included with your submission as if it were part of a label amendment application. This is a registration, not a reregistration, action. Our review was based solely on current requirements.

The labeling, reviewed in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, is acceptable provided that you make the labeling changes indicated below before you release the product for shipment bearing the amended labeling:

Revise the first sentence of the Environmental Hazards section to "This pesticide is toxic to birds, mammals, fish, and aquatic invertebrates."

Submit five (5) copies of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

You should note that, as stated above, this is a registration action; additional labeling changes may be required as a result of the reregistration process.

Sincerely yours,

DHE

Dennis H. Edwards, Jr.  
Product Manager (19)  
Insecticide-Rodenticide Branch  
Registration Division (7505C)

# TECHNICAL VENDEX<sup>®</sup> MITICIDE

## A MITICIDE FOR FORMULATING USE ONLY

ACTIVE INGREDIENT	BY WEIGHT
Fenbutatin-oxide [Hexakis (2-methyl-2-phenylpropyl)distannoxane]	98.4%
INERT INGREDIENTS	1.6%
	TOTAL 100%

EPA Reg. No. 352-479

EPA Est. No. 5204-KY-1

### KEEP OUT OF REACH OF CHILDREN DANGER!

**PELIGRO!** PRECAUCION AL USUARIO: Si usted no lee ingles, no use este producto hasta que le etiqueta haya sido explicado ampliamente.

#### STATEMENT OF PRACTICAL TREATMENT

**If In Eyes:** Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. Call a physician.

**If On Skin:** Wash with plenty of soap and water. Get medical attention.

**If Swallowed:** Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

**If Inhaled:** Remove victim to fresh air. If not breathing, give artificial respiration preferably mouth-to-mouth. Get medical attention.

**For medical emergencies involving this product, call toll free 1-800-441-3637.**

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS

**Danger! Corrosive.** This product may cause skin irritation, respiratory irritation and eye damage. DO NOT GET IN EYES, ON SKIN OR ON CLOTHING. WEAR SUITABLE EYE PROTECTION, SUCH AS GOGGLES OR SAFETY GLASSES WITH SIDE SHIELDS OR THEIR EQUIVALENT WHEN HANDLING THE PRODUCT. Wear clean protective clothing that covers the body well.

Harmful if swallowed. Avoid contamination of food. Avoid breathing dust. Wash thoroughly with soap and water after handling and before eating or smoking.

In case of contact, immediately flush eyes or skin for at least 15 minutes. For eyes, see a physician.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

**For medical emergencies involving this product, call toll free 1-800-441-3637.**

### ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with the label. Only for formulation into a miticide:

1. For the following uses:

**Terrestrial Food Crops** – almonds, apples, grapes, papaya, peach, nectarine, pear, peaches, berries, walnut.

**Terrestrial Nonfood Crops** – Christmas trees

**Greenhouse Nonfood Crop** – Ornamental plants

2. Uses for which USEPA has accepted the requirements of the FIFRA Act and the formulator has submitted in support of registration.

3. Uses for experimental purposes that are in compliance with the FIFRA Act.

Products formulated from this product will require registration with the Environmental Protection Agency.

Additional information pertinent to the needs of the formulator is contained in the Technical Data Bulletin for VENDEX<sup>®</sup> Miticide.

## STORAGE AND DISPOSAL

Do not contaminate water, other pesticides, fertilizers, or food. Do not reuse empty container. Open dumping is prohibited.

**Storage:** Store in a secure, dry and temperate area protected from moisture with sand, earth or synthetic absorbent (do not use absorbent that is a waste) in compliance with local, state and Federal regulations.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of pesticide is a violation of Federal law. Contact your State or Federal Pesticide Control Agency or Hazardous Waste Representative for guidance.

**Container Disposal:** Completely empty liner by shaking and tapping to loosen clinging particles. Empty residue into applicator. Empty liner in a sanitary landfill or by incineration if allowed. If the applicator drum is contaminated and cannot be reused, dispose of it as a hazardous waste.
