HARMONY® EXTRA HERBICIDE

EPA Reg. No. 352-538

FOR LIMITED USE FOR WEED CONTROL IN SMALL GRAINS GROWN IN ALAMOSA, CONEJOS, COSTILLA, RIO GRANDE, AND SAGUACHE COUNTIES OF THE STATE OF COLORADO

Limited use will occur in Alamosa, Conejos, Costilla, Rio Grande, and Saguache counties with selected cooperators and retail dealers. Consult the "Conditions of Use" section below and the EPA approved EXPRESS® and HARMONY® EXTRA labels for additional requirements, restrictions and precautions.

CONDITIONS FOR USE

EXPRESS® and HARMONY® EXTRA may be applied to wheat and barley by those selected cooperators and retail dealers who have a current year letter of consent from DuPont in this geography.

HOW TO USE

EXPRESS® and HARMONY® EXTRA can be applied by ground or air equipment under this labeling. See EPA approved label for specific equipment recommendations.

Use 1/4 to 1/3 ounce per acre of EXPRESS® or 0.3 to 0.6 ounce per acre of HARMONY® EXTRA in the above counties. Tank mixtures should be used, refer to the EPA approved label for further instructions about tank mixing.

Read and follow all the label instructions and precautions for the other products used in a tank mix with EXPRESS® and HARMONY® EXTRA.

SPRAY DRIFT MANAGEMENT

The interaction of many equipment and weather-related factors determines the potential for spray drift. The applicator is responsible for considering all these factors when making application decisions.

AVOIDING SPRAY DRIFT IS THE RESPONSIBILITY OF THE APPLICATOR.

SPRAYER CLEANUP

Failure to adequately clean spray equipment used to mix and apply EXPRESS® or HARMONY® EXTRA before treating another crop can result in crop injury.

CROP INJURY THAT RESULTS FROM INADEQUATELY CLEANED SPRAY EQUIPMENT IS THE RESPONSIBILITY OF THE APPLICATOR. The spray equipment must be cleaned before EXPRESS® OR HARMONY® EXTRA is sprayed. Follow the cleanup procedures specified on the labels of the previously applied products. If no directions are provided, follow the steps outlined in "AFTER SPRAYING EXPRESS® OR HARMONY® EXTRA" in the EPA-approved labels.

IMPORTANT

BEFORE USING "EXPRESS®" OR "HARMONY® EXTRA", READ AND FOLLOW ALL APPLICABLE DIRECTIONS, RESTRICTIONS AND PRECAUTIONS ON THE EPA-REGISTERED LABEL.

This bulletin contains new or supplemental instructions for use of this product which do not appear on the EPA-registered package label. Follow the instructions carefully.

This labeling must be in the possession of the user at the time of pesticide application.
