Keep Out of Reach of Children

DANGER  **POISON**

PELIGRO

PERSONAL PROTECTIVE EQUIPMENT

Loaders of FORTRESS 5G in the SMARTBOX must wear:
Long-sleeved shirt and long pants.
Shoes plus socks.
Waterproof gloves.
Protective eyewear.

In order to avoid contaminating the enclosed cab, the waterproof gloves and protective eyewear should be removed and stored at the loading site, or, if that is not possible, stored outside the cab in a chemical-resistant container (plastic bag). This PPE should not be reused until properly cleaned.

Applicators must be in enclosed cabs and must wear:
Long-sleeved shirt and long pants.
Shoes plus socks.

If the applicator exits the cab to make a repair or adjustment to the planter, the following PPE, separate from the PPE used for loading, must be worn:
Coveralls.
Waterproof gloves.
Protective eyewear.

Coveralls, waterproof gloves and protective eyewear should be removed and stored in a chemical-resistant container (plastic bag), separate from the bag used to store loading PPE, outside the cab before re-entering the cab.

Follow manufacturer's instructions for cleaning/maintaining PPE. All washable PPE should be washed in detergent and hot water prior to reuse. Keep and wash PPE separately from other laundry.

<u>Active Ingredient</u>	<u>By Weight</u>
Chlorethoxyfos:	
Phosphorothioic acid, O,O-diethyl	
O-(1,2,2,2-tetrachloroethyl)ester	5.0%
<u>Inert Ingredients</u>	95.0%
TOTAL	100.0%

This supplemental label supersedes product labeling requiring an OV respirator to be worn by loaders. The new requirements are noted under the "Personal Protective Equipment" section of this label.
