Subject: Label Amendment – Addition of supplemental label for the green onion subgroup
Product Name: Dupont Coragen Insect Control
EPA Registration Number: 352-729
Application Date: August 18, 2014
Decision Number: 494998

Dear Ms. Bieber:

The amended label referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 18 months from the date of this letter. After 18 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

Please note that the supplemental label expires on 8/15/17, and must not be used or distributed after this date. Your release for shipment of the product constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). If you have any questions, you may contact Jennifer Urbanski at 703-347-0156 or via email at urbanski.jennifer@epa.gov.

Sincerely,

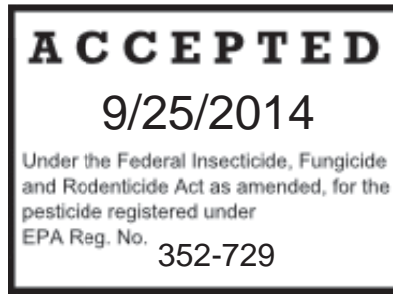

A handwritten signature in black ink that reads "Venus Eagle".

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This supplemental labeling must be in the possession of the user at the time of pesticide application. Read the label affixed to the container for CORAGEN® before applying. Use of CORAGEN® according to the labeling is subject to the use precautions and limitations imposed by the label affixed to the container for CORAGEN®. See Federal Section 3 label accompanying product for full resistance management instructions.

APPLICATION

Apply at the specified rates when insect populations reach locally determined economic thresholds. Consult the cooperative extension service, professional consultants or other qualified authorities to determine appropriate threshold levels for treatment in your area. Apply follow-up treatments of CORAGEN®, as specified, to keep pest populations within threshold limits. Refer to the Resistance Management section of the Federal Section 3 label for further guidance on follow-up treatments. See individual crop sections of this label for specific minimum spray intervals.

Use sufficient water to obtain thorough, uniform coverage.

IMPORTANT

Before using CORAGEN®, read and follow all applicable directions, restrictions, and precautions on the EPA-registered label.
