 Office of Pesticide Programs
 Registration Division (7505C)
 1200 Pennsylvania Ave., N.W.
 Washington, D.C. 20460

EPA Reg. Number:

352-781

Date of Issuance:

MAR 30 2009

NOTICE OF PESTICIDE:

Registration
 Reregistration
 (under FIFRA, as amended)

Term of Issuance:

Conditional

Name of Pesticide Product:

DuPont™ Indoxacarb Ant Gel

Name and Address of Registrant (include ZIP Code):

DuPont Crop Protection
 Stine-Haskell Research Center
 P.O. Box 30
 Newark, DE 19714-0030

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration/registration review of your product when the Agency requires all registrants of similar products to submit such data.
2. The data requirements for storage stability and corrosion characteristics (Guidelines 830.6317 and 830.6320) are not satisfied. A one year study is required to satisfy these data requirements. You have 18 months from the date of registration to provide these data.

Signature of Approving Official:

John Hebert, Product Manager
 Insecticide-Rodenticide Branch, Registration Division (7505P)

Date:

MAR 30 2009

3. Make the following label changes before you release the product for shipment:
 - a. Revise the EPA Reg. No. so it reads, "EPA Reg. No. 352-781."
 - b. On page 2, under the Optional Marketing Statements, revise statement #4 so it reads, "Has a specific combination of ant food attractants and active ingredient."
 - c. On page 2, under the Optional Marketing Statements, revise statement #18 so it reads, "Easy for ants to find and eat."
 - d. On page 2, under the "Product Facts" and "Background Information" sections, add the following note after the list of ants: "Excludes fire, harvester, and pharaoh ants."
4. For future submissions, make the following changes to your Confidential Statement of Formulation (EPA Form 8570-4):
 - a. Box 4: Revise the EPA Reg. No. so it reads, "EPA Reg. No. 352-781."

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. A stamped copy of the label is enclosed for your records. If you have any questions, please contact Julie Chao at 703-308-8735 or chao.julie@epa.gov.

READ THE LABEL FIRST!

PRODUCT FACTS

Kills	Ants (Argentine, Big-headed, Carpenter, Cornfield, Crazy, Field, Ghost, Honey, Little black, Odorous-house, Pavement, Pyramid, Rover, Thief, and White-footed).
Where to use	In and around homes and other buildings/structures where ants have infested or where they travel to seek food, water or shelter
When to use	When ants are observed or there is evidence of an infestation in/around a home, building or structure
[Telephone icon]	For information or comments call 1-xxx-xxx-xxxx

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ THIS LABEL: Read this entire label and follow all use directions and use precautions. Use only for the sites, pests, and application methods described on this label.

BACKGROUND INFORMATION:

DuPont™ Indoxacarb Ant Gel is a ready-to-use gel bait formulation that is very effective in controlling common ant species that infest areas in and around homes and other residential structures, including Argentine, Big-headed, Carpenter, Crazy, Field, Ghost, Honey, Little Black, Odorous, house, Pavement, Pyramid, Rover, Thief, and White-footed. Indoxacarb Ant Gel contains the active ingredient [indoxacarb] [Claridox], a powerful non-repellant insecticide.

BEFORE YOU START

- Apply to areas not easily accessible to children and pets.
- Do not apply Indoxacarb Ant Gel bait to surfaces recently treated with residual sprays.
- Do not apply a residual spray to surfaces that Indoxacarb Ant Gel is applied to.
- Do not apply in or on electrical equipment due to the possibility of shock.
- Do not apply to surfaces that food contacts.
- Do not allow open foods to contact gel material.
- Gel deposits may be cleaned up by using damp paper towel or rag while still wet, or if dried has dried use putty knife to scrape and discard in trash.

[HOW IT WORKS] (Optional Section)

[The handy applicator makes it easy to apply small placements of gel. More placements allows scout ants to find the bait faster. It also allows multiple ant colonies to feed on different baits without fighting. Increasing access to the bait increases the effectiveness of the bait. Follow the application directions in the How Much to Apply section for bait placement and application amount.]

WHERE TO USE

Indoors:

- Kitchens/Bathrooms/Basements/Garages/Laundry rooms
- May be used indoors applied as a crack and crevice or spot treatment in and around single and multi-family residential buildings.
- Apply to areas frequented by ants such as openings leading into voids and hollow spaces in floors, walls, ceilings, equipment legs and bases, around plumbing pipes, doors and windows, and behind and under appliances, and cabinets where ants/ant trails are typically seen.

OPTIONAL GRAPHICS WITH TEXT

[Where To Place The Gel]

[Main placement areas]

Panel 1: Picture with arrows pointing under refrigerator

Panel 2: Picture with arrows pointing under drawers

Panel 3: Picture with arrows pointing behind trash receptacle in kitchen

Panel 4: Picture with arrows pointing to inside of storage cabinet under kitchen sink

Panel 5: Picture with arrows pointing behind toilet in bathroom

Panel 6: Picture with arrows pointing to inside edge of bathroom sink cabinet

Panel 7: Picture with arrows pointing behind toilet in bathroom opposite side

Panel 8: Picture with arrows pointing to cracks and crevices at base of bathroom cabinet

Outdoors:

- A thorough inspection around the exterior of a structure may reveal areas where ants are gaining access.

- To help remove access from external entry points, place applications of DuPont™ Indoxacarb Ant Gel as a spot or thin bead (see below) to pest entry sites such as along windows, doors and utility entry points.
- Place Indoxacarb Ant Gel to help reduce the potential of subsequent human contact.

HOW MUCH TO APPLY

- Apply approximately 0.1 to 1.0 gram or 1/8 to 1/4 inch in diameter spots of Indoxacarb Ant Gel.
- Apply lines of the ant gel that are approximately 1/8 inches wide and 2 inches long; up to a 3 inch long line may be used for highly active foraging trails of ants.
- A typical ant infestation may require as little as 1-15 grams of Indoxacarb Ant Gel bait whereas heavy ant infestations in a large structure may require the use of more than 15 grams of bait.
- Inspect placements of the Indoxoacarb Ant Gel periodically and apply fresh gel bait as needed.

Figure 1: Line of gel approx. 1/8" x 2"

Figure 2: Spot of gel approx. 0.1 g

Figure 3: Spot of gel approx. 1 g

HOW TO APPLY

1. Remove cap from syringe tip
2. Place syringe tip at surface to be treated
3. Apply light pressure to plastic syringe plunger
4. Lift syringe tip from surface and replace cap

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store in cool, dry place inaccessible to children and pets.

Pesticide Disposal: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

Container Handling: Nonrefillable container. Do not reuse or refill the gel bait dispenser. Place empty bait dispensers in trash, offer for recycling, or call your local solid waste authority [or 1-888-xxx-xxxx] for disposal instructions.

NOTICE TO BUYER--Purchase of this material does not confer any rights under patents of countries outside of the United States.

[Optional statements] DuPont will not be responsible for losses or damages resulting from use of this product in any manner not specifically stated on this label or other labels or bulletins published by DuPont. User assumes all risks associated with such non-specified use.

**LIMITATION OF
WARRANTY AND LIABILITY**

NOTICE: Read This Limitation of Warranty and Liability Before Buying or Using This Product. If the Terms Are Not Acceptable, Return the Product at Once, Unopened, and the Purchase Price Will Be Refunded.

It is impossible to eliminate all risks associated with the use of this product. Such risks may arise from factors such as weather conditions, soil factors, off target movement, unconventional technique, presence of other materials, the manner of use or application, or other unknown factors, all of which are beyond the control of DuPont or Seller. These risks can cause: ineffectiveness of the product or other unintended consequences.

WHEN YOU BUY OR USE THIS PRODUCT, YOU AGREE TO ACCEPT THESE RISKS.

DuPont warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for the purpose stated in the Directions for Use, subject to the inherent risks described above, when used in accordance with the Directions for Use under normal conditions.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, DUPONT MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR OF MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, IN NO EVENT SHALL DUPONT OR SELLER BE LIABLE FOR ANY INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW, THE EXCLUSIVE REMEDY OF THE USER OR BUYER AND THE EXCLUSIVE LIABILITY OF DUPONT OR SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY OR CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHER LEGAL THEORY) RESULTING FROM THE STORAGE, USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THE PRODUCT, OR AT THE ELECTION OF DUPONT OR SELLER, THE REPLACEMENT OF THE PRODUCT.

To the extent consistent with applicable law that allows such requirement, DuPont or its distributor must have prompt notice of any claim so that an immediate investigation of buyer's or user's claim can be made. Buyer and all users shall promptly notify DuPont or a DuPont distributor of any claims, whether based on contract, negligence, strict liability, other tort or otherwise or be barred from any remedy.

This Limitation of Warranty and Liability may not be amended by any oral or written agreement.
