 New Formula In Pellet Form
 Their Last Meal
 Kills Rats
 Net Weight 9 ozs
 Caution: Keep Out Of Reach Of Children
 See Other Cautions On Side Panel

Side Panel: DIRECTIONS
 Rat-Nots are prepared from high testing "Red Squill" recommended for use in the home or farm. Remove all possible sources of food supply before placing entire contents of this package near Rat holes, runways and around all infested areas.

For exceptional results and where Rat infestation is heavy, ask your dealer for the economical Estate sizes.

USDA Reg. No. 358-13

A product of Nott Manufacturing Co., Inc., Pleasant Valley, New York, 12569. Made in U.S.A.

Side Panel: Rats are naturally wary of human odors. For best results do not handle baits and always be sure that sufficient "Rat-Nots" are placed around rat runways, so that these pests may be controlled.
