

**FOR ALL TYPES OF SCREENING**

**INHIBITS RUST!**

**ACTIVE INGREDIENTS:**

Ronnel* 10,0-Dimethyl 0-(2,4,5-Trichlorophenyl) Phosphorothioate) .....	1.0%
<b>INERT INGREDIENTS</b> .....	99.0%
<b>Total</b>	<b>100.0%</b>

\*U.S. Patent No. 2,599,516

**EASY TO USE!**

Coats the fine screen mesh with a long lasting chemical barrier. Fresh air in — bugs out. Kills insects such as sand flies, midges, gnats, no-see-em's, mosquitos and flies. Oil base inhibits rust on metal screens and yet is approved for use on all types of screening.

**WARNING**

Contents under pressure. Store away from heat and direct sunlight. Do not puncture or incinerate. Do not use near open flame or while smoking.

SHAKE WELL BEFORE USING.

PLEASANT VALLEY, N. Y. 12569  
USDA Reg. No. 358-139.

Made in U.S.A.

Brush screens lightly to remove dirt and dust. Allow screens to dry from the inside out making certain that window box flowers, ornamental plants and windows have been covered or removed. For most efficient use, tape newspapers over all the screen area. Then reverse the newspapers and spray lightly from the outside in, taking the same precautions not to allow the spray to fall on plants or decorative surfaces, or fabrics. Spray screens on a day when there is no wind and when it is warm enough to permit quick drying.

**CAUTION**

Harmful if swallowed. Avoid contact with skin. Avoid breathing spray mist. Wash with soap and water after using. Avoid contaminating of feed and food-stuffs. Remove birds, pets, and fish bowls from rooms being sprayed. . . . Store beyond children's reach.

**GUARANTEE**

Effective for purpose claimed.

**SCREEN TREAT**

FRESH AIR IN . . . BUGS OUT

**KEEPS OUT**

Sand Flies! Midges! Gnats! No-See-Em's!

14 FL. OZS.

(11.5 AV. OZS.)

**CAUTION:** Keep Out Of Reach Of Children. Contents Under Pressure. See Other Cautions On Side Panel.

**DANGER—POISON—PRECAUTIONS**

**POISONOUS IF SWALLOWED**

This product can kill you if swallowed even in small amounts; spray mist or dust may be fatal if swallowed.

**POISONOUS BY SKIN CONTACT**

Poisonous if touched by hands or spilled or splashed on skin, in eyes or on clothing (liquid goes through clothes.)
