

NO. 572

HERBICIDE WEED KILLER

CONCENTRATE
RECOMMENDED FOR CONTROL OF UNDESIRABLE
GRASS, WEEDS AND OTHER VEGETATION

Active Ingredients Sodium Arsenite 40%
Inert Ingredients 60%
Total arsenic (all water soluble) expressed as metallic—not less than 23%.
Contains the equivalent of 4 lbs. of arsenic trioxide (As₂O₃) per gallon.

DO NOT USE MORE THAN 12 GALLONS OF NO. 572 HERBICIDE WEED KILLER PER ACRE. DOSAGE RATES IN EXCESS OF THIS AMOUNT, (50% ARSENIC TRIOXIDE PER ACRE) IS LIMITED TO AREAS TO BE COVERED BY PAVEMENT AFTER TREATMENT.

GENERAL RECOMMENDATIONS: A sodium arsenite type, non-selective weed killer for destroying undesirable grass and vegetation. Mixes readily with cold water to form a non-explosive and non-flammable solution for use around airports, tank farms, sub-stations, and similar small enclosed industrial areas where animals and wildlife poisoning is not a problem.

DILUTION RECOMMENDATIONS

ANNUAL WEED AND GRASS CONTROL: Mix one gallon of NO. 572 HERBICIDE WEED KILLER with 9 gallons of water and apply as a coarse wet spray so as to thoroughly wet leaves, stems and root crowns. Do not exceed more than 12 gallons of NO. 572 HERBICIDE WEED KILLER per acre.

PERENNIAL WEEDS AND GRASSES: Dilute one gallon of NO. 572 HERBICIDE WEED KILLER with sufficient water to cover 300-500 square feet and apply as a coarse wet spray so as to thoroughly wet leaves, stems and root crowns.

Do not apply to areas underlaid by roots of desirable trees and shrubs. Avoid spray drift to desirable plants. DANGER: Avoid contact with eyes, skin and clothing. Avoid inhalation of spray mist. Keep pets, livestock and children off treated area while No. 572 is still active on the foliage. Rinse container or sprayer several times with water. Do not use in any connection with feed, food or drinking water.

This product is toxic to wildlife. Birds and other wildlife in treated areas may be killed. Do not apply where runoff is likely to occur. Do not contaminate water by cleaning of equipment, or disposal of wastes.

Do not use or store in or around the home. Do not allow domestic animals to graze treated area. Do not contaminate water used for irrigation or domestic purposes.

POISON

Fatal or harmful if swallowed. Do not store near foodstuffs. KEEP AWAY FROM CHILDREN, LIVESTOCK AND PETS. ANTIDOTE-INTERNAL: Call physician at once. Give a tablespoon mustard or salt in a glass of warm water. Repeat until vomit fluid is clear. Have victim lie down and keep quiet.

DANGER: KEEP OUT OF REACH OF CHILDREN
DO NOT REUSE CONTAINER. DESTROY WHEN EMPTY.
