

**FIRST AID:**

Have product container or label with you when calling a poison control center or doctor, or going for treatment.

**In eyes:**  
• Hold eye open and rinse slowly and gently with water for 15-20 minutes.  
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.  
• Call a poison control center or doctor for treatment advice.

**If on skin or clothing:**  
• Take off contaminated clothing.  
• Rinse skin immediately with plenty of water for 15-20 minutes.  
• Call poison control center or doctor for treatment advice.

**If swallowed:**  
• Call a poison control center or doctor immediately for treatment advice.  
• Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor.  
• Do not give anything by mouth to an unconscious person.

**If inhaled:**  
• Move person to fresh air.  
• If person is not breathing, call 911 or an ambulance then give artificial respiration, preferably by mouth-to-mouth, if possible.  
• Call a poison control center or doctor for further treatment advice.

**Note to Physician:** Probable mucosal damage may contraindicate the use of gastric lavage.

SAN-O-EIGHT cleans and disinfects floors, walls and hard, non-porous surfaces. This product has been formulated to aid in the reduction of cross-contamination on treated surfaces. SAN-O-EIGHT may be used in the kitchen or bath on all floors. It is also specified for shower rooms, restrooms, locker rooms and wherever floors and other surfaces are to be cleaned. It is also recommended for use in schools, institutions, food processing plants, hospitals, retail stores, clinics, buildings and other places where disinfection is desired.

**DIRECTIONS FOR USE**

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

# SAN-O-8

PROVEN SOLUTIONS TO MAINTENANCE PROBLEMS

**CLEANING AND DEODORIZING:** Depending on the soil level of the area to be cleaned, use 2-4 oz. per gallon of water. Apply solution with cloth, mop, brush or sponge. Wipe dry or air dry.

**GENERAL DISINFECTION:** Pre-clean hard nonporous surfaces as directed above. Apply 2 oz per gallon of water use solution to surfaces with cloth, mop, sponge, or mechanical sprayer. Allow treated surfaces to remain wet for 10 minutes. Wipe dry with cloth, mop, sponge or allow to air dry. Rinse all surfaces that come in contact with food such as counters, tables, stovetops with potable water. Do not use on glasses, utensils, dishes or cookware. Prepare a fresh solution daily or more often if solution becomes visibly diluted or soiled.

**DISINFECTING HOSPITAL SURFACES, CRITICAL AREAS AND PREVIOUSLY CLEANED NON-POROUS SURFACES:** Wash or scrub with a solution of 4 oz. of SAN-O-EIGHT in each gallon of water.

**FOOD PROCESSING PLANTS:** Before using this product, food products and packaging materials must be removed or carefully protected. Follow Disinfection Directions.

**PRECAUTIONARY STATEMENTS: Hazardous to Humans and Domestic Animals: DANGER. Corrosive. Causes irreversible eye damage and skin burns. Do not get in eyes, on skin, or on clothing. Wear chemical goggles, protective clothing, and rubber gloves. Harmful if swallowed or absorbed through the skin. Wash thoroughly, with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing, wash before reuse.**

**STORAGE AND DISPOSAL:** (1 gallon containers or less): Keep container closed when not in use in an area inaccessible to persons unfamiliar with its use. Store in a cool, dry place. Do not reuse container. Discard in trash.

(Containers greater than 1 gallon)

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal

**PESTICIDE STORAGE:** Keep container closed when not in use in an area inaccessible to persons unfamiliar with its use. Store in a cool, dry place.

**PESTICIDE DISPOSAL:** Pesticide Wastes are acutely hazardous. Improper disposal of excess pesticide, spray or mixture of insecticide is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

**CONTAINER DISPOSAL:** Triple rinse (or Equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and Local authorities.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish and aquatic invertebrates. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.
