EPA Reg. No. 406-8

PREPARED BY

PEST CONTROL CHEMICAL CO.

324 Broadway

Buffalo, N. Y.

Seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instructions.

CAUTION

Harmful if swallowed. Keep out of reach of children. Avoid contamination of feed and food-stuffs. Avoid repeated or prolonged breathing of spray mist and skin contacts; wash thoroughly after using. Do not use on household pets or humans.

COMBUSTIBLE MIXTURE: Do not use or store near heat or open flame. Do not smoke while using.

Directions For Use

Spray infested surfaces only until wet. Do not use in commercial food preparation areas or in edible products areas of food processing plants.

ROACHES, ANTS, WATERBUGS, SILVERFISH, SPIDERS, CRICKETS: Spray heavily into all cracks, around baseboards, and other places where these insects hide. Also spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves. Spray other localized areas infested with these pests. Repeat treatment as required.

CARPET BEETLES: Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelvings. Repeat as necessary.

BROWN DOG TICKS: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floors and floor coverings. Applications should be repeated as infestations warrant and as re-infestations occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animals with this formulation.

FLIES, MOSQUITOES, WASPS AND FLYING MOTHS OUTDOORS: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the rooms. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

Do not reuse empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.
