PRODUCT DESCRIPTION

Imperial Premise Spray is a quick-killing residual spray for use on farm buildings, elevators, mills, and grain storage bins. It kills the exposed stages of Cranary Weevil, Rice Weevil, Angoumois Grain Moth, Flies, Roaches, and Ants on contact. It is also effective against silverfish, crickets, spiders, scorpions, wasps, hornets, and clover mites.

FOR GRAIN ELEVATORS

Apply Imperial Premise Spray to all surfaces of grain elevators, including walls, floors, and ceilings. Spray thoroughly, paying special attention to cracks and crevices. Repeat application every 30 days during storage season.

FOR CEREAL PROCESSING MILLS

Apply Imperial Premise Spray to all surfaces of cereal processing mills, including walls, floors, and ceilings. Spray thoroughly, paying special attention to cracks and crevices. Repeat application every 30 days.

FOR FOGGING

Apply Imperial Premise Spray to all surfaces of areas to be fogged. Spray thoroughly, paying special attention to cracks and crevices. Repeat application every 30 days.
