

[416-56]

Directions for pet use:
 For fleas, brown dog ticks, and lice on dogs and cats. Dust liberally over the entire animal, avoiding the eyes, and rub thoroughly into the skin, using the comb's brush end to remove dead ticks and lice. Repeat as needed. Avoid use on animals less than 4 weeks in and under houses. Repeat as needed.

Caution:
 Avoid contact with eyes. Wash hands after use. Avoid breathing dust. Wash hands after use.

QUINN'S
Flea and Tick
Powder

Directions for pet use:

For fleas, brown dog ticks, and lice on dogs and cats: Dust liberally over the entire animal, avoiding the eyes, and rub thoroughly into the skin, using the bristle brush applicator. Comb out dead ticks a few hours after treatment. Repeat at weekly intervals if needed. Avoid treatment of kittens less than 4 weeks of age.

For the control of fleas in and around dog and cat quarters, pens, yards, lawns, and under houses: Dust liberally. Repeat as necessary.

Caution:

Keep out of reach of children. Do not take internally. Harmful if inhaled or swallowed. Avoid breathing dust. Wash hands after applying.

Active Ingredients	
Pyrethrins	0.008%
*Technical Piperonyl Butoxide	0.019%
