| | |
|-------------------|--------|
| INERT INGREDIENTS | 60.85% |
|-------------------|--------|

| | |
|-------|---------|
| TOTAL | 100.00% |
|-------|---------|

WARNING: Keep out of reach of children. Not for internal use in humans. Read Warning on back panel, also antidote statement. Keep away from domestic animals.

Net Weight 12 ounces

HOUSEHOLD AND NON-FOOD INDUSTRIAL PLANTS:

To control Waterbugs, Roaches, Ants and Silverfish. Place dust only in areas inaccessible to children and pets. Place behind sinks, refrigerators, stoves, and cabinets, carefully brushing into cracks and crevices. No powder should be visible after application. Do not use around dishes, utensils or food.

AGRICULTURAL PREMISES: DO NOT USE IN DAIRY BARN OR POULTRY HOUSES

Apply 12 ounces per 1200 square feet of floor space. Apply by brushing into cracks, baseboards, around water pipes and sinks. Do not contaminate feed or drinking water.

WARNING—Cenol Waterbug and Roach Powder should not be stored in close proximity to medicinal chemicals that are to be taken internally and should also be kept out of the reach of children and away from food stuffs.

Do not breathe dust. May be fatal if swallowed.

ANTIDOTE: Give at once large draughts of lime water or weak Calcium Chloride Solution; or induce vomiting by giving an adult $\frac{1}{2}$ ounce mustard in ounce of water every 15 minutes, stimulants of strong coffee, or spirits of Ammonia, a teaspoonful in water; artificial respiration; keep lower extremities and chest warm; call a physician. Note to physician — 10 grains Calcium Gluconate intravenously.
