

Cenol

TO CONTROL FLEAS, TICKS*, and LICE
*Brown Dog Ticks

ACTIVE INGREDIENTS	
Carbaryl 2-Naphthyl N-Methylcarbamate	5.00
Pyrethrins	0.10
Technical Piperonyl Butoxide (1)	1.00
INERT INGREDIENTS	93.90
TOTAL 100.00	

(1) Equivalent to 0.8% (butyl carbityl) propylpiperonyl ether and 0.2% related compounds.

CAUTION: KEEP OUT OF REACH OF CHILDREN

Read Caution statement on back panel. Do not reuse empty container. Destroy container when empty.

NET WT. 6 OZ.

DIRECTIONS

DO NOT USE ON PUPPIES OR KITTENS LESS THAN 4 WEEKS OF AGE.

Dust powder freely over the animal. Work the powder through the hair to the hide, to be sure to include the ears, legs, feet and between the toes. The use of a comb will be found helpful in treating long haired animals. Comb out dead ticks a few hours after treatment. Repeat application at one to three week intervals if necessary.

To control fleas and ticks around animal's quarters, use liberal application of the product to the target areas. Do not use inside the home.

When bathing dogs use Cenol Dog Shampoo to help control fleas and to keep the animals hair in prime condition.

CAUTION: Avoid breathing powder, prolonged contact with skin or contamination of foodstuffs or water. Harmful if swallowed or inhaled. Wash thoroughly after using.

ACTIVE INGREDIENTS:	
Carbaryl-2 Naphyl N-Methylcarbamate	5.00%
Pyrethrins	0.10%
Technical Piperonyl Butoxide (1)	1.00%
INERT INGREDIENTS:	93.90%
	TOTAL 100.00%
(1) Equivalent to 0.8% (butyl carbityl) (6-propylpiperonyl) ether and 0.2% related com- pounds.	

CAUTION: KEEP OUT OF REACH OF CHILDREN
Read Caution statement on back panel. Do not reuse
empty container. Destroy container when empty.

NET WT. 6 OZ.

DIRECTIONS

**DO NOT USE ON PUPPIES OR KITTENS
LESS THAN 4 WEEKS OF AGE.**

Dust powder freely over the animal. Work the powder through the hair to the hide, to be sure to include the ears, legs, feet and between the toes. The use of a comb will be found helpful in treating long haired animals. Comb out dead ticks a few hours after treatment. Repeat application at one to three week intervals if necessary.

To control fleas or ticks around animal's quarters, use 1/2 cup application of the product to the target area. Do not use inside the home.

When bathing cats use Cenol Dog Shampoo to help control fleas and ticks. Keep the water lukewarm.

CAUTION: Avoid contact with eyes, nose, mouth and contact with skin. In case of contact with skin or water, wash with water and soap. If in eyes, flush with water.
