Acme Burgess, Inc.  
Chemical Division  
P.O. Box 177  
Route 45 & Peterson Road  
Libertyville, IL 60048

Attention: George H. Gray

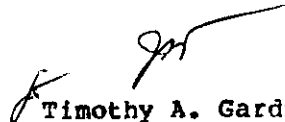

Gentlemen:

Subject: Burgess Insect Fog Fogging Insecticide  
with Pyrethroid  
EPA Registration No. 419-178  
Your Letters of May 2 and May 8, 1984

The labeling, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act as amended, is acceptable and a stamped copy is enclosed for your records.

At the next printing or within one year, whichever comes first, the phrase "Low toxicity formula" must be deleted from the label.

Sincerely yours,

  
Timothy A. Gardner  
Product Manager (17)  
Insecticide-Rodenticide Branch  
Registration Division (TS-767)

# Burgess T.M. Insect Fog

## PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION:** Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors or spray mist, and provide adequate ventilation of area being treated. Contact with the eyes, skin or clothing should be avoided.

THE FOLLOWING INFORMATION

**Statement of Practical Treatment.** IF SWALLOWED: Call a physician immediately. Gastric lavage is indicated if material was taken internally. **DO NOT INDUCE VOMITING** unless directed by a physician. Vomiting may cause aspiration pneumonia. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply respiration if indicated.

IF ON SKIN: Wash contaminated skin with soap and water.

IF IN EYES: Flush eyes with plenty of water for at least 15 minutes. Get medical attention immediately.

Avoid contamination of feed and foodstuffs.

Remove pets, birds, and cover fish aquariums before spraying.

**DO NOT ALLOW CHILDREN IN TREATED AREAS UNTIL SURFACES ARE DRY.**

**Environmental Hazards.** This product is toxic to fish, birds and other wildlife. Do not apply to lakes, streams and ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

Manufactured by

630143 Rev. C

620137

**Physical or Chemical Hazards.** This formulation is combustible. Do Not Use or Store Near Heat or Open Flame. Do Not Store Below 32 Degree F.

**Disposal.** Do not use empty container. Trap container and put in trash collector.

## DIRECTIONS

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

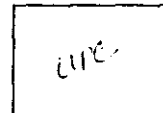

This formulation is to be used undiluted in only such portable thermal applicator equipment that can deliver spray particle sizes within the aerosol size range.

## FOR OUTDOOR USE ONLY

For small area applications: Hold thermal applicator at least five feet from any object, especially plants and shrubbery. Avoid wetting of foliage. Apply undiluted at the rate of 1 to 2 oz. per 1000 cu. ft. Fog only when there is no breeze, or the wind velocity is less than 3 miles per hour. The ideal time is generally at dusk when the wind dies down and the air temperature and ground temperature are approximately the same. Under these conditions the fog will linger in the treated area for a longer time. Apply fog while moving away from treated area. Keep away from Food, Humans and Pets. Avoid inhalation of the fog. **DO NOT SMOKE WHILE FOGGING.** Do not enter the treated area until the fog has dissipated. Repeat application as necessary.
