DIRECTIONS FOR USE

FOR USE IN HOTELS; MOTELS;
KITCHENS; NON-FOOD AREAS OF
RESTAURANTS; PACKAGING AND
PROCESSING PLANTS;
HOUSES AND HORSE STABLES.

Do not use in edible product areas of
processing plants, restaurants or
areas where food is commercially
prepared or processed. Do not use in
living areas while food is exposed.

SPRAY: To kill flies, mosquitoes
and gnats: Close room or area to be
treated. Shut off air conditioner and
heating system. Seal all open vents.
Remove fish and pets. Apply undiluted
Cenol fine mist space spray through-
out the room. Operate equipment or with
fan and other powered applica-
tion. Avoid staining by holding the
nozzle at least five feet from ob-
ject. Direct the fine spray mist toward
each corner of the room. Fill the
spray can with a fine mist space spray at
rate of 5 fluid ounces per 5,000
cubic feet. Leave room closed for one-
hour. Ventilate thoroughly before
re-entering. Sweep up and destroy insects.

CRACK SPRAYS: To kill roaches,
crawling insects, grain mites, sowbugs,
and centipedes: Adjust spray to
medium wetting type spray
nozzle. Direct spray to contact these
insects in cracks and crevices in floors,
baseboards, around pipes, behind cabi-
nets and other harborages. Spray these
areas until thoroughly wet. Re-
spray as necessary.

SPIDERS: Spray directly on
spiders and use repeated applica-
tion to remove the webbing and all cracks and
other harborages which harbor spiders.

ANTS: Spray doors, around
baseboards, ant trails and hills.

GRAIN INSECTS: Adults of cen-
tral mites, saw toothed grain
beetles, shiny spider beetles. Remove
grain cereal or flour and de-
contaminate other
foodstuffs in the areas by re-
frigeration before spraying. Spray directly
on insects and into cracks and
other harborages where grain insects may be
found. In homes, dispose of all in-
fested products. The shelves and draw-
ers should be cleaned and thoroughly
soaked so as to contact all pests and
with shelf paper after allowing
to dry. Any utensils that are
in contact with spray should be washed
thoroughly. Repeat as necessary.
