ACTIVE INGREDIENTS: 9.40%  
(1) Hydrogen Chloride 9.30% (2) Para-  
di-isobutylphenoxyethoxyethyl dimethyl  
benzyl ammonium chloride 0.10%  
INERT INGREDIENTS: 90.60%

A Product of *James Varley & Sons, Inc.* ST. LOUIS, MO.

NET CONTENTS:

## DIRECTIONS:

**FOR SANITIZING URINALS:** Pour fluid onto a bowl mop or brush and rub on surface of the urinal until all discoloration and deposits are removed. If the urinal is badly discolored repeat the above and allow to remain in contact for about 5 minutes before rubbing and flushing. Rub well under the rim and top of urinal.

**FOR CLEANING THE INVISIBLE TRAP OR OUTLET IN URINAL:** Remove the drain plate. Place a bowl mop into the drain, and pour a 1/2 pint of fluid onto the mop. Allow to remain for a few minutes until reaction is completed then work mop up and down until scale is removed. If the trap is badly incrustated repeat operation until thoroughly clean. To prevent further formation of lime deposits in trap pour 1/2 pint of fluid down the drain once each week.

**FOR CLEANING AUTOMOBILE RADIATORS:** Dilute 1 pint to 3 pints water, and pour into radiator. Run engine for 10 minutes and drain. Flush with water, and drain again before filling.

Do not use on wash basins or bath tubs.

**RINSE EMPTY CONTAINER THOROUGHLY WITH WATER AND DISCARD IT IN A SAFE PLACE.**

**WARNING: CONTAINS HYDROCHLORIC ACID.** May be fatal if swallowed. Do not breathe vapor or fumes. May produce chemical burns. Do not get in eyes, on skin or on clothing.

**ANTIDOTE: Internal**—call a physician immediately. Drink a teaspoonful or more of magnesia, chalk or small pieces of soap softened with water in milk or raw egg white.

**External—Eyes**—wash with water for 15 minutes. Get prompt medical attention. **Skin**—wipe off the acid gently, immediately flood the surface with water, using soap freely, then cover with moist magnesia or baking soda.

**BANISHES MANY GERMS!!**

**DIRECTIONS TO CLEAN TOILET BOWLS AND URINALS:**

Hold bottle over bowl or urinal—saturate swab with Pinky. Swab thoroughly, taking care to clean water outlets under rim of toilet and grooves and outlets at top of urinal. Flush well, rinsing swab.

For cleaning of porcelain, chrome, tile—Dilute 1 part Pinky with 8 parts water. After cleaning, flush thoroughly with water.

**CAUTION:** Do not re-use empty container. Wash thoroughly with water and detergent. Discard in a safe place.

**CLEANS AND DEODORIZES TOILETS AND URINALS**
