

Foaming Action

WARSAPTIC

DISINFECTANT CLEANER

ACCEPTED BY ROAD SPECTRUM

Sept 17, 1968

UNDER THE FEDERAL INSECTICIDE
FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC POISON REGISTER-
ED UNDER NO. 421-389

Cleans • Disinfects • Deodorizes

Highly recommended for sanitation in hospitals, schools, institutions, office buildings, factories, motels, hotels and restaurants.

Cleans and sanitizes many washable surfaces — table and counter tops — sinks — bathtubs — shower stalls — grouting — tile — wash basins — formica — exhaust fans — porcelain and enamel surfaces — leather and vinyl.

This disinfectant-cleaner has undergone extensive clinical trials and has been found to be effective against Staphylococcus aureus and Salmonella choleraesuis, employing the A.O.A.C. Method For Testing Germicidal Spray Products — (Official, Final Action).

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING. Remove protective cap. Spray evenly over surface and wipe clean. To remove heavy soil, allow foam to remain a minute or two before wiping.

To disinfect, spray liberally on surface and allow contact for a few minutes then wipe clean. Do not dry.

ALWAYS HOLD CONTAINER AS UPRIGHT AS POSSIBLE WHEN SPRAYING

CAUTION: Do not set dispenser on stove or radiator or store in hot places. Do not puncture or incinerate container. This package should not be refilled, but should be discarded after it is empty. Avoid getting in eyes. In case of contact, wash thoroughly with water. If irritation persists, get medical attention.
