EPA Est. No.

KEEP OUT OF REACH OF CHILDREN
DANGER
POISON

FIRST AID

- If Swallowed:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.
- If Inhaled:** Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.
- If In Eyes:** Flush eyes with plenty of water. Get medical attention if irritation persists.
- If On Skin:** Wash with plenty of soap and water. Get medical attention if symptoms persist.

NOTE TO PHYSICIAN: Surface contact can produce conjunctivitis, pharyngitis and rhinitis. Ingestion causes abdominal pain, nausea and vomiting. Inhalation is more dangerous, inducing respiratory stimulation, then depression and possibly seizures. There is no specific antidote. Treatment is supportive.

NET CONTENTS:

Environmental Hazards

This pesticide is extremely toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for formulation use only. The formulator using this concentrate is fully responsible for obtaining EPA registration for his formulated products.

This product may be formulated into end-use products for the following acceptable use: Piscicide Uses (Aquatic Non-Crop Uses).

STORAGE & DISPOSAL

- Do not contaminate water, food or feed by storage or disposal.
- Storage:** Store in a dry place away from excessive temperature extremes.
- Pesticide Disposal:** Pesticide wastes are acutely toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA regional Office for guidance.
- Container Disposal:** Completely empty container by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of container in a sanitary landfill or by incineration if allowed by State and local authorities.

WARRANTY STATEMENT

Our recommendations for the use of this product are based upon tests believed to be reliable. The use of this product, being beyond the control of the manufacturer, no guarantee, express or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
