

[432-229]

1 POUND

PYRETHRUM POWDER

Active Ingredients

Pyrethrins 0.9% w/w

Inert Ingredients

Pyrethrum flowers other than pyrethrins $\frac{99.1\%}{100.0\%}$

CAUTION:
KEEP OUT OF REACH OF CHILDREN

DIRECTIONS FOR USE

ROACHES: Use PYRETHRUM POWDER to treat cracks and crevices in woodwork, dark spaces behind pipes and all places which roaches infest, hitting as many insects as possible and repeating whenever reinfestation occurs.

FLEAS AND TICKS ON PREMISES: Thoroughly dust all infested areas with PYRETHRUM POWDER, including cracks and crevices in woodwork, floors and floor coverings, and animal sleeping quarters. Repeat as necessary.

FLEAS, TICKS AND LICE ON ANIMALS: Use PYRETHRUM POWDER directly on infested animals such as dogs, cats, cattle, and goats.

USDA Reg. No. 432-229
