Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage resulting from its misuse as such, or in combination with other materials.

LOT NO.

**DIRECTIONS FOR USE**  
It is a violation of federal law to use this product in manner inconsistent with its labeling.

Shake well before each use. Remove protective cap. Aim spray opening away from person. Push button to spray.

Food should be removed or carefully covered before treatment. All food processing surfaces should be covered before treatment or thoroughly cleaned before using. In food processing plants apply on when plants are not in operation.

**FOR HOUSEFLIES, MOSQUITOES, AND GNATS:** Close doors and windows. Point nozzle upward, direct the spray mist to all parts of the room, especially windows and other light sources which attract these insects. Fill the room with mist, then leave it treated area. Keep the room closed for at least 15 minutes. Ventilate the room when treatment completed.

**WASPS:** Application should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places, contacting as many insects as possible. Repeat as necessary.

**FOR CRAWLING INSECTS:** Roaches, earwigs, grain mites, sowbugs, spiders and centipedes: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards, and storage areas. Spray directly on insects where possible. Repeat as necessary.

**ANTS:** Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

TO KILL BEDBUGS AND LICE: Apply as a spot treatment to cracks and crevices in the bed, head of bed, mattress, and walls. Repeat treatment as necessary. No other areas should be treated. Do not use on clothing, bedding, and furniture. Do not use on children's toys. Do not use on pets. Do not use on food. Do not use on electrical outlets and switches. Do not use on electrical wiring and appliances. Do not use on electrical equipment. Do not use on electrical outlets and switches. Do not use on electrical wiring and appliances. Do not use on electrical equipment.
