Kills fleas and ticks on dogs and cats and in other areas where fleas and ticks hide.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Shake can well before using. Aim spray opening away from person. Push button to spray.

Spray on dogs and cats
and pet bedding.

Spray where fleas and ticks
hide.

To Kill Fleas & Ticks on Dogs and Cats: Apply directly to animals along back, under forelegs, and other areas except scrotum and anus. Part hair to contact skin and insure good coverage. Hold nozzle about one foot away while spraying. Apply until hair is thoroughly moist. Do not spray directly in eyes or mouth of animal. Repeat within 24 hours of first treatment, if necessary. Note: This aerosol may make a slight hissing sound and cause a temporary cool sensation. Hold pet securely while applying. Nervous animals may become frightened the first time this product is used but soon become accustomed to the treatment.

To Kill Fleas & Ticks in Pet Bedding and Pet Areas: To reduce reinfestation, thoroughly spray the animal's bedding and other resting places until the surface is slightly moist. Treat these areas at the rate of two seconds per linear foot at a distance of 12 to 18 inches. Also spray the entire inside surface of dog houses. Repeat as necessary.

To Treat Flea & Tick Infestation in Rugs and Carpets: Spray rugs and carpets where fleas tend to hide. If used on light or delicate upholstery fabrics, test for potential staining in an inconspicuous place prior to use. Spray thoroughly into hiding places such as cracks and crevices, in walls and floors, along baseboards, windows and door frames. Repeat as necessary.

Roaches, Ants, Silverfish, Crickets, Spiders, Earwigs, Cowbugs and Centipedes: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards, storage areas and other areas where insects may be found. Spray directly on insects where possible. Repeat as necessary.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS**

CAUTION: Avoid contact with eyes, skin or clothing. Harmful if swallowed. Cover or remove exposed food. Avoid contamination of cooking utensils and food preparation surfaces. Cover fish aquariums before spraying. Do not use on edible crops.

FIRST AID: In case of contact, immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists.
