Dear Mr. Callahan:

Subject: Labeling Amendment Submitted in Response to
PR Notice 87-6
EPA Registration Number 432-483

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptably subject to the following comments.

1. Revise the statement: "This product contains the toxic inert ingredient methylene chloride." so that it is directly below the ingredients statement.

2. Replace the Hazards to Humans and Domestic Animals statements with "Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing vapors. Avoid contact with skin, eyes or clothing."

3. Replace the Environmental Hazards statement with "This product is toxic to fish and birds. Keep out of any body of water. Do not contaminate water when disposing of empty containers or washwaters."

4. Add the following statement of practical treatment:

STATEMENT OF PRACTICAL TREATMENT

If Inhaled: Contact a physician or poison control center immediately.

If Ingested: Remove victim to fresh air and give artificial respiration if indicated.

If in Eyes: Flush eyes with plenty of water. Seek attention of a physician immediately.

If on Skin: Remove contaminated clothing. Wash affected area of skin with soap and water. Get medical attention if irritation persists. Wash contaminated clothing separately from other clothing prior to reuse.

5. Submit a revised Confidential Statement of Formula according to the enclosed guide.

A stamped copy of the draft label is enclosed for your records. Submit five (5) copies of the final printed labeling.

Sincerely,

Enclosure

Phil Butler,
Product Manager (133)
Pesticide Registration Branch
Registration Division (70-7600)
