Mr. Joseph Conti
Roussel Bio Corporation
170 Beaver Brook Road
Lincoln Park, NJ 07035

Dear Mr. Conti:

Subject: Revised Formulas - Labels: Resmethrin Standard
SBP-1382 Insecticide 40% Formula I
EPA Registration No. 432-623
SBP-1382 Yard and Patio Fogger Outdoor Fogger
EPA Registration No. 432-493
Insecticide, Aerosol Resmethrin - 1.2%
EPA Registration No. 432-516
SBP-1382 1.0% Aerosol For Timed Dispenser
EPA Registration No. 432-519
Your Submissions Dated February 23, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

As new labels are prepared:

1. For Reg. No. 432-623, remove aromatic petroleum solvent as an active ingredient and include its total with inert ingredients. Add "Contains petroleum distillate" below the ingredient statement. Update the Statement of Practical Treatment to cover other routes of exposure.
2. For Reg. No. 432-493, replace the ENVIRONMENTAL HAZARD statement with the statement from the Resmethrin Standard for outdoor uses (not RESTRICTED USE).

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

Avoid contamination of food and feedstuffs. Do not use in areas where food is prepared, stored, or consumed. Remove or cover during treatment. All food processing equipment should be thoroughly cleaned before using. When used in food processing areas, only when the facility is not in operation.

Remove pets and birds. Cover or remove aquariums. Never use this product as specified on this label.

ENVIRONMENTAL HAZARDS: Keep out of lakes, ponds or streams. Do not contaminate water. Do not dispose of waste. When used on ships, do not wash or clean adjacent waters.

PHYSICAL AND CHEMICAL HAZARDS: Contents under pressure. Do not puncture or incinerate. Do not expose to heat or open flame. Exposure to temperatures above 130°F.

STORAGE: Do not store near heat or open flame.
CONTAINER DISPOSAL: Replace cap and dispose of container.

DIRECTIONS FOR USE

For use in households, shelters, industrial plants, restaurants, etc. Apply this product only as specified on this label. Read and follow all directions. Remove protective cap. Aim spray opening away from people and animals. **INDOOR AREAS:** For Houseflies, mosquitoes and gnats (midgets) release feet from any surface, holding the dispenser at least 1 foot while spraying aids in dispersion. Dispense only to the extent spraying is ample for each 1,000 cubic feet (10 feet by 10 feet) directly on insects but merely spray into the air since the insect is in the enclosed space. Keep treated area closed for at least 15 minutes. Repeat as necessary.

SHELTERED AREAS: In such areas that can't be closed to the entire area with mist. Keep treated area closed for at least 15 minutes. Repeat as necessary.

WARRANTY STATEMENT

Our recommendations for the use of this product are based on the use of this product being beyond the control of the manufacturer or implied, is made as to the effects of such or the results in accordance with directions or established safe practice. The manufacturer does not warrant, including injury or damage, resulting from its misuse or the use of materials.
