Dear Ms. Stern:

Subject: Revised Labeling: Deletion of Commercial Greenhouse Use
SBP-1382 Insecticide Concentrate 40% Formula I
EPA Registration Number 432-595
Submission Dated January 19, 1996

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below before you release the product for shipment bearing the amended labeling:

1. Move the paragraph beginning with "This product is intended only for formulation use" so that it is the second paragraph of the Directions for Use.
2. Move the paragraph beginning with "Only For Formulation Into An Insecticide For The Following Uses: . . ." so that it is the third paragraph of the Directions for Use.
3. Add the following statement as a footnote to the Inert Ingredients declaration:

"Contains petroleum distillates, xylene, or xylene range aromatic solvent"
4. Add the statement "Avoid alcohol." to the Statement of Practical Treatment for "IF SWALLOWED".

Submit five copies of your final printed labeling prior to releasing product for shipment.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

Hazards To Humans & Domestic Animals

CAUTION

Harmful if swallowed or absorbed through skin. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling.

Environmental Hazards

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Physical & Chemical Hazards

Do not use or store near heat or open flame. Flashpoint minimum 100°F (38°C).

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Do not store at temperatures below 40°F (4.5°C). If this material has been exposed to temperatures below 40°F (4.5°C), there may be precipitation. Check for crystallization. If evident, warm to 80°F (26.5°C) and thoroughly mix before using. DO NOT USE OPEN FLAME.

Pesticide Disposal: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and local authorities.

This product is intended only for formulating use. Formulators using this product are responsible for obtaining EPA registration for their formulated products.

4-74

Only. For Formulation Into An Insecticide For The Following Uses: Domestic Indoor (Household), Domestic Outdoor (Household/Ornamental), Indoor Food Handling Establishments (Edible product areas), Non-Commercial Greenhouse Ornamentals, Mosquito control, Commercial Industrial Use, Treatment of animals not intended for food, stored grain, and uncultivated agricultural areas.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions for use or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in-combination with other materials.
