

DEC 12 1996

Jennifer C. Berth
AgrEvo Environmental Health
95 Chestnut Ridge Road
Montvale, NJ 07645

Dear Ms. Berth:

Subject: Revised Confidential Statements of Formula
and Amended Labeling
SBP-1382/Bioallethrin 19.268-48.202 Concentrate
EPA Registration Number 432-602
Submission Dated November 19, 1996

The revised confidential statements of formula referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, are acceptable. The confidential statements of formula (1 basic formulation and 2 alternate formulations, all dated November 19, 1996) have been added to the product file and supercede all previously submitted confidential statements of formula for this product.

The revised labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable. A stamped copy of the label is enclosed for your records.

Submit three copies of revised final printed labeling prior to releasing product for shipment.

If you have any questions or comments, please contact me at (703) 305-6788.

Sincerely yours,

RPK

Richard P. Keigwin, Jr.
Product Manager 10
Insecticide-Rodenticide Branch
Registration Division

NET CONTENTS:

**PRECAUTIONARY STATEMENTS
Hazards To Humans & Domestic Animals**

CAUTION
Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Environmental Hazards

This pesticide is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your local State Water Board or Regional Office of the EPA.

Physical Or Chemical Hazards

This product is combustible. Do not use, pour, spill or store near heat or open flame. Flash point minimum 100°F.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This pesticide may be used only for the formulation of an insecticide. Formulators using this product are responsible for obtaining EPA registration for their formulated products.

This product may be formulated into end-use products intended for the following acceptable uses: Domestic Indoor (Household), Domestic Outdoor (Household/ Ornamental), Indoor Food Handling Establishments (Edible product areas), Non-Commercial Greenhouse Ornamentals, Mosquito Control, Commercial Industrial Use, Animal Treatments and holding areas, stored grain, and uncultivated nonagricultural areas.

STORAGE AND DISPOSAL
Do not contaminate water, food or feed by storage or disposal.
Storage: Do not store below 40°F. This material may have been exposed to temperatures below 40°F; to insure uniformity, warm to 80°F and mix well before using.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site, or at an approved waste disposal facility.
Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
