Dear Ms. Stern:

Subject: Revised Labeling: Deletion of Commercial Greenhouse Use
SBP-1382 Insecticide Concentrate 40% Formula II
EPA Registration Number 432-610
Submission Dated January 19, 1996

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable provided that you make the labeling changes indicated below before you release the product for shipment bearing the amended labeling:

1. Add the following statement as a footnote to the Inert Ingredients declaration:

"Contains aromatic petroleum solvent"

2. Revise the Statement of Practical Treatment for "IF IN EYES" to read:

IF IN EYES: Flush eyes with plenty of water. Get medical attention if irritation persists.

3. Revise the Statement of Practical Treatment for "IF ON SKIN" to read:

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

4. Revise the Precautionary Statement to read:

"Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse."

5. Revise the heading "INSTRUCTIONS FOR FORMULATION" to read "Directions for Use".

Submit five copies of your final printed labeling prior to releasing product for shipment.

A stamped copy of the label is enclosed for your records.

Please note that we have in our files no previously accepted labels for this product that list the end-use products into which it may be formulated.

If you have any questions or comments, please contact me at (703) 305-6788.

Sincerely,

RPK

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, this pesticide
registered under EPA Reg. No.

432-610

NET CONTENTS:

PRECAUTIONARY STATEMENTS Hazards To Humans & Domestic Animals

CAUTION
Harmful if swallowed. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes, or clothing.

Environmental Hazards

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or public water unless this product is specifically identified and addressed in a NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

Physical/Chemical Hazards

This product is combustible. Do not use, pour, spill or store near heat or open flame. FLASH POINT MINIMUM 145°F (63°C).

INSTRUCTIONS FOR FORMULATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is intended for formulating use. Formulators using this product are responsible for obtaining EPA registration for their formulated products.

This product may be formulated into end-use products intended for the following acceptable uses: Domestic Indoor (household), Domestic Outdoor (Household/Ornamental), Indoor Food Handling Establishments (Edible Product Areas), Non-Commercial Greenhouse Ornamentals, Mosquito Control, Commercial/Industrial Uses, Treatment of animals not intended for Food, and Uncultivated Non-agricultural sites.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Storage: Do not store at temperatures below 40°F (4.5°C). If this material has been exposed to temperatures below 40°F (4.5°C), there may be precipitation. Check for crystallization. If evident, warm to 80°F (26.5°C), and thoroughly mix before using. DO NOT USE OPEN FLAME.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved wastes disposal facility.

Container Disposal: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and Local authorities.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with the directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
