**PRECAUTIONARY STATEMENTS
 HAZARDS TO HUMANS & DOMESTIC ANIMALS
 CAUTION**

Harmful if swallowed. Avoid contact with eyes, skin or clothing. Wash hands after using. Do not contaminate/contact food, feedstuffs or water supplies with this product. If food contact surfaces become contaminated, wash thoroughly. Do not allow children or pets to contact treated surfaces until spray has dried. Remove pets and cover fish tanks before spraying.

STATEMENT OF PRACTICAL TREATMENT

If swallowed: Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with fingers. Get medical attention.
 If in eyes: Flush with plenty of water. Get medical attention if irritation persists.
 If on skin: Wash thoroughly with soap and warm water.
NOTE TO PHYSICIANS: Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote.

ENVIRONMENTAL HAZARDS

This pesticide is highly toxic to fish. Do not apply directly to water or wetlands (swamps, bogs, marshes, and potholes). Drift from treated areas may be hazardous to organisms in adjacent aquatic areas.

DIRECTIONS FOR USE

FINE SPRAY: Apply along baseboards, window and door sills and frames, storage areas, localized areas of floors and floor coverings, around sleeping quarters of animals. Fresh bedding should be placed in animal quarters after treatment. Repeat treatment as necessary. **DO NOT TREAT ANIMALS WITH THIS PRODUCT.** Treat pets with a product registered for animal application to control fleas. Repeat treatment as necessary.
OUTDOORS: For effective control of listed pests, apply as a residual coarse spray to outside home surfaces such as porches, window frames, eaves, patios in and around garbage cans, ant trails and nests. Apply as a fine spray on window and door screens. To help prevent infestation, treat with a coarse spray, a band of soil 6 to 10 feet wide around the home as well as 2 to 3 feet high around the foundation. Repeat treatment as necessary. Do not spray plants, product may cause injury.

STORAGE & DISPOSAL

STORAGE: Do not store near heat or open flame. Store product in original container in a locked storage area.
DISPOSAL: Do not reuse empty container. Wrap container in several layers of newspaper and put in trash.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibilities, including injury or damage, resulting from its misuse as such, or in combination with other materials.
