EPA REG. NO. 432-649

EPA EST. NO.

**DANGER  
POISON**

**DANGER:** Methanol may cause blindness. Harmful or fatal if swallowed. Vapor harmful. Avoid breathing mist or vapors. Avoid contact with skin. In case of eye contact: Flush with plenty of water and get medical attention. See side panel for additional precautionary statements.

**STATEMENT OF PRACTICAL TREATMENT**

**IF SWALLOWED:** Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious or convulsing person.

**NOTE TO PHYSICIAN:**Chlorpyrifos is a cholinesterase inhibitor. Treat symptomatically. Atropine only by injection is an antidote. Aspiration hazard may exist with this product.

**PRECAUTIONARY STATEMENTS**

**Hazards To Humans & Domestic Animals**

**DANGER**

Causes irreversible eye damage. Harmful or fatal if swallowed. Avoid breathing vapors. Do not get in eyes, on skin or on clothing. Wear goggles or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

**Environmental Hazards**

This product is highly toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other water unless in accordance with a National Pollutant Discharge Elimination System (NPDES) permit and their permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**Physical And Chemical Hazards**

**Flammable:**Keep away from heat or open flame. Flash point minimum of 60°F (15.5°C).

**INSTRUCTIONS FOR REPACKAGING**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may be used for repackaging as an end-use product.

No changes may be made in formulation either by dilution or addition of other ingredients. It is the responsibility of the repackager to obtain EPA registration for his product. Additional data may be required to support registration of any repackaged product if the labeling, text or graphics are altered from the example given and if the hazard or efficacy are affected by such alterations.

This product may be used for repackaging as an end-use product identical to UltraTEC Insecticide with SBP-1382/Chlorpyrifos Transparent Emulsion Dilutable Concentrate 1.6% - 16%, EPA Registration Number 432-567, registered for use on the following sites:

Non-food areas indoors and outside premises of hotels, motels, homes, preschools, apartment buildings, commercial, office, institutional and storage buildings, recreational buildings, boats, ship cabins, and hospitals.

Non-food areas of packaging and processing plants, milk handling areas of milk plants, milk storage rooms, egg processing plants, supermarkets, restaurants, bottling plants, canneries, flour and feed mills, and bakeries.

Food areas of food handling establishments (application is limited to spot and/or crack and crevice treatment).

In and around campers, mobile homes, buses and automobiles.

In cargo planes, trucks, boxcars and ship cargo holds (use is limited to vehicles that are not used for transport of food or food products at any time).

In dog kennels and horse stables (not for use on animals, food, or feed items).

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Storage:** Do not store at temperatures below 40°F (4.5°C). If exposed to temperatures below 40°F (4.5°C), allow to stand until product reaches room temperature and thoroughly mix before using. DO NOT USE OPEN FLAME.

**Pesticide Disposal:** Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

**Container Disposal:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by State and Local authorities.

**WARRANTY STATEMENT**

Our recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
