PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

Harmful if swallowed. Do not inhale. Do not use near eyes and mucous membranes. In case this product should get in eyes, flush immediately with water. In case of infection or skin irritation, or if infestation of eyelashes or eyebrows is present discontinue use and consult a physician. Avoid contamination of feed or foodstuffs.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not contaminate water where fish occur.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Apply undiluted to entirely wet hair and scalp or any other infested areas except the eyelashes and eyebrows. Allow treatment to remain no longer than 10 minutes. Then wash thoroughly with warm water and soap or shampoo. Dead lice and eggs may require removal with a fine comb. Do not exceed two consecutive applications.

All clothing should be sterilized at time of treatment to eliminate infestation.

STORAGE: Do not transport or store at temperature below 32°F (0°C). Store product in original container in a locked storage area.

DISPOSAL: Securely wrap original container in several layers of newspaper and put in trash.

WARRANTY STATEMENT

Our recommendations for use of this product are based on tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibilities, including injury or damage, resulting from its misuse as such, or in combination with other materials.
