Office of Pesticide Programs
Registration Division (M7505C)
401 M St., S.W.
Washington, D.C. 20460

EPA Reg.
Number:

432-762

Date of Issuance:

MAR - 2 1994

NOTICE OF PESTICIDE:

Registration
 Reregistration

(under FIFRA, as amended)

Term of Issuance:

Unconditional

Name of Pesticide Product:

DELTA-TECH

Name and Address of Registrant (include ZIP Code):

ROUSSEL UCLAF CORPORATION
95 CHESTNUT RIDGE ROAD
MONTVALE, NEW JERSEY 07645

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5) provided that you:

1. Make the following label changes before you release this product for shipment:

- a. Add the phrase EPA Registration Number "432-762" .
- b. Revise the environmental hazard statement regarding aquatic organisms to read as follows:

"This product is extremely toxic to fish and other aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your state Water Board or Regional Office of the EPA."

Signature of Approving Official:

GTL

Date:

MAR - 2 1994

c. Revise the instructions to formulators statement to read as follow:

"Only For Formulation Into An Insecticide For; (1) The Following Uses: In and Around Non-food Areas Of Residential, Industrial And Institutional Structures And Their Immediate Surroundings And Various Modes Of Transportation; (2) Uses For Which USEPA Has Accepted The Required Data And /Or Citations Of Data That The Formula'ors Has Submitted In Support Of Registration; And (3) Uses for Experimental Purposes That Are In Compliance With USEPA Requirements."

d. Deltamethrin is a type II pyrethroid. Dermal contact (especially to the face) may result in a tingling sensation and reddening of the skin (typical pyrethroid reaction). Therefore the labeling precautionary statements must be revised to include a statement, informing the user that this may occur and washing the skin should result in reversal of the reaction.

2. Submit three (3) copies of the final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS WARNING

May be fatal if swallowed. Harmful if inhaled or absorbed through skin. Avoid contact with skin, eyes, or clothing. Wash thoroughly with plenty of water. Get medical attention if irritation persists.

STATEMENT OF PRACTICAL TREATMENT

If in Eyes: Flush with plenty of water. Get medical attention immediately.
If on Skin or Clothing: Remove contaminated clothing. Wash with plenty of water. Get medical attention if irritation persists.
If Swallowed: Drink 1 or 2 glasses of water and induce vomiting. Do not give milk or animal fats, these products will irritate the stomach. Do not give anything by mouth to an unconscious person. Get medical attention immediately.
If Inhaled: Remove from exposure to fresh air immediately. Get medical attention immediately.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to freshwater and estuarine organisms. Do not discharge effluents containing this product into lakes, streams, rivers, or public waters unless this product is specifically identified and approved for such use. Do not discharge effluent containing this product to sewer systems or sewage treatment plant authority. For guidance, contact your Regional Office of the EPA.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal. **STORAGE:** Store in a cool, dry place.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal, incineration, or incineration is a violation of Federal Law. If these wastes are not disposed of properly, contact your State Pesticide Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office.
METAL CONTAINER DISPOSAL: Triple rinse (or equivalent) and recycle where possible. If not recycled, puncture and dispose of in a sanitary landfill or by State and local authorities.

PLASTIC CONTAINER DISPOSAL: Triple rinse (or equivalent) and recycle where possible. If not recycled, puncture and dispose of in a sanitary landfill or by State and local authorities, by burning. If burned, stay out of smoke.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon the use of this product being beyond the control of the manufacturer. We do not assume any liability for the effects of such use or the results to be obtained therefrom. The buyer must use the product in accordance with directions or established safe practice. The buyer must assume all liability for injury or damage, resulting from the misuse of such, or in connection with the use of this product.
