Subject: Amendment - Update First Aid Statement
Delta Technical
EPA Reg. No. 432-762
Your submission dated August 13, 2003

Dear Mr. Krygsman:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable, subject to the comments listed below.

1. Under the "Precautionary Statements" section of your label, please delete the statements "In case of contact...if irritation persists." Add the following statement "Remove contaminated clothing and wash before reuse."
2. This product is in Toxicity Category III for eye irritation. Therefore, add "Causes substantial but temporary eye injury" as the second sentence under the Precautionary Statements section.
3. Delete "Not for Resale Under This Label." This statement is in conflict with the formulators exemption.

A stamped copy of the label is enclosed for your records. If you have any questions, please call Dr. William Sproat of my team at 703-308-8587.

Sincerely,

George T. LaRocca
