STATEMENT OF PRACTICAL TREATMENT**

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

OUTDOOR USE

FIRE ANTS: Mix 1½ fluid ounces of Tralex FA 3.75% EC per one gallon of water. Mix and use at once. Apply as a gentle rain (using a sprinkling can or pump sprayer) thoroughly wetting top of mound and surrounding area to a diameter of 3 feet. Use approximately one pint per 10-12 inch mound. Do not disturb mound before treating. For best results, apply in cool weather or in early morning or late afternoon. Treat new mounds as they appear. Tralex FA 3.75% EC gives quick reduction of stinging fire ants with total mound kill in approximately 5 days. One gallon treats 8-10 mounds. Do not store spray mixture.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS DANGER

Corrosive, causes irreversible eye damage. Harmful if swallowed, inhaled or absorbed through the skin. Wear goggles or face shield and protective gloves during handling and application. Can cause irritation to skin such as burning and tingling. Do not get in eyes, or on skin, or on clothing. Do not breathe vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Hold eyelids open and flush with a gentle stream of water for 15 minutes. Get medical attention immediately.

IF SWALLOWED: Do not induce vomiting. Call a physician or Poison Control Center. Gastric lavage should be supervised by trained personnel because of the possible pulmonary damage via aspiration of the solvent. Contains petroleum distillates. If possible, bring the container and labeling to attending physician.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if necessary. Get medical attention.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and other aquatic organisms, including crab and shrimp. Use with care when applying in areas adjacent to any body of water. Do not contaminate water when disposing of equipment washwaters. Remove pets and cover aquariums and terrariums before spraying.

PHYSICAL HAZARDS

Do not use or store near heat or open flame.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

STORAGE: Do not store over 100°F or below 10°F. Do not store in or around the house.

PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Empty containers should be triple rinsed into the spray tank or watering can during mixing. Wrap empty container in several layers of newspaper and discard in trash.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon tests believed to be reliable.

Warranty - if you are not completely satisfied with this product, write Roussel Uclaf Corporation at the address on this label. The buyer must assume all responsibilities, including injury or damage, resulting from its misuse as such, or in combination with other materials.
