Montvale, NJ 07645

Dear Ms. Lawes:

Subject: Labeling Amendment
Tralex FA 3.75% EC
EPA Registration No. 432-768
Your Application Dated June 16, 1993

The labeling referred to above, submitted in connection with registration, under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable, provided that you make the labeling change listed below before you release the product for shipment bearing the amended labeling:

Delete "Remove pets and cover aquariums and terrariums before spraying" since this precaution is for indoor application.

Submit five copies of your final printed labeling before you release the product for shipment. A stamped copy of the labeling is enclosed for your records.

Sincerely,

George T. LaRocca
Product Manager 13
Insecticide-Rodenticide Branch
Registration Division (H7505C)

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS DANGER

Corrosive, causes irreversible eye damage. Harmful if swallowed. Causes skin irritation. Wear goggles or face shield and protective gloves. Do not breathe vapor. Wash thoroughly with soap and water. Wash contaminated clothing and wash clothing before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Hold eyelids open and flush with a gentle stream of water. Seek medical attention immediately.
IF SWALLOWED: Do not induce vomiting. Call a physician. Medical treatment should be supervised by trained personnel because of the risk of aspiration of the solvent. Contains petroleum distillates. See labeling to attending physician.
IF ON SKIN: Wash with plenty of soap and water. Get medical attention if irritation persists.
IF INHALED: Remove victim to fresh air. Apply artificial respiration if necessary. Seek medical attention.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and other aquatic organisms. Do not apply directly to water, or to areas where surface water is present. Do not contaminate water when disposing of equipment washwaters. Do not apply to terrariums before spraying.

PHYSICAL HAZARD

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Do not store over 100°F or below 10°F.
PESTICIDE DISPOSAL: Pesticide wastes are acutely hazardous. Do not dispose of by use according to label instructions, contact your local Control Agency, or the hazardous waste representative for guidance.
CONTAINER DISPOSAL: Wrap empty container in several layers of newspaper and place in trash.

OUTDOOR USE

FIRE ANTS: Mix 1 1/2 fluid ounces of Tralex FA 3.75% EC with 1 gallon of water. Apply as a gentle rain (using a sprinkling can or pump sprayer) to the mound and surrounding area to a diameter of 3 feet. Use 1/2 gallon of water per mound. Do not disturb mound before treating. For best results, treat in the morning or late afternoon. Treat new mounds as they appear. For reduction of stinging fire ants with total mound kill in 10-14 days, treat 8-10 mounds. Do not store spray mixture. Not for use in sod farms or on grass grown for seed. No
