PO Box 30
Montvale, NJ 07645

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5) provided that you:

1. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase, "EPA Registration No. 432-774."
 - b. The signal word for your product is WARNING. Change the signal word to WARNING wherever it appears on your label.
 - c. Revise your Precautionary Statements as follows:

"May be fatal if swallowed. Harmful if inhaled or absorbed through skin. Avoid breathing dust. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, or using tobacco. In case of contact, immediately flush eyes and skin with plenty of water. Get medical attention if irritation persists."

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DOMESTIC ANIMALS CAUTION

Harmful if swallowed, absorbed thru skin or inhaled. Avoid contact with skin, eyes or clothing. In case of contact, immediately flush with water. Get medical attention if irritation persists.

STATEMENT OF PRACTICAL TREATMENT

If in Eyes: Flush with plenty of water. Get medical attention immediately.
If on Skin or Clothing: Remove contaminated clothing. Wash with soap and water. Get medical attention if irritation persists.
If Swallowed: Drink 1 or 2 glasses of water and induce vomiting. Do not give anything by mouth to an unconscious person.
If Inhaled: Remove from exposure to fresh air immediately. Get medical attention if irritation persists. Get medical attention immediately.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to freshwater and estuarine organisms. Do not discharge effluents containing this product into lakes, streams, rivers, or public waters unless this product is specifically identified and approved for such use. Do not discharge effluent containing this product to sewer systems or sewage treatment plant authority. For guidance, contact your local Regional Office of the EPA.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal.
STORAGE: Store in a cool, dry place.
PESTICIDE DISPOSAL: Wastes resulting from the use of this product should be disposed of at an approved waste disposal facility.
CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or puncture and dispose of in a sanitary landfill, or by other procedures approved by local authorities.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon the use of this product being beyond the control of the manufacturer. No warranty is made as to the effects of such or the results to be obtained when used with directions or established safe practice. The buyer must assume all liability for injury or damage, resulting from its misuse as such, or in connection with the use of this product.

BEST AVAILABLE

previously notifying the local sewage treatment plant authority. For guidance contact your state Water Board or Regional Office of the EPA."

- c. Revise the instructions to formulators statement to read as follows:

"Only for formulation into an insecticide for use in and around non-food areas of residential, industrial and institutional structure and their immediate surroundings and various modes of transportation."

Please refer to PR-Notice 94-1, issued April 25, 1994 for additional labeling statements the may be added to manufacturing use products.

- d. Deltamethrin is a type II pyrethroid. Dermal contact (especially to the face) may result in a tingling sensation and reddening of the skin (typical pyrethroid reaction). Therefore the labeling precautionary statements must be revised to include a statement, informing the user that this may occur and washing the skin should result in reversal of the reaction.

- e. Revise your Storage & Disposal statement to agree with Deltamethrin Technical (Reg. No. 432-762).

2. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
