Dear Ms. Johnston:

Subject: Correction to Statement of Practical Treatment
TETRAPERM 10-25-50 O-B CONCENTRATE
EPA Registration Number 432-775
FAXED Dated June 17, 1997

It has come to our attention that in our letter dated July 18, 1995, we inadvertently assigned the wrong statement of practical treatment instructions for the "If Swallowed Statement."

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

Note that since the statement "This product contains aromatic petroleum hydrocarbon" is listed in the ingredient statement, it is not necessary to include it in the if swallowed section of the statement of practical treatment.

Submit three copies of the final printed label before you release the product for shipment bearing the amended labeling. A stamp copy is enclosed for your records.

We apologize for any inconvenience this may have caused you.

Sincerely,

George T. LaRocca
Product Manager (13)
Insecticide-Rodenticide Branch

PRECAUTIONARY STATEMENTS

Hazards To Humans And Domestic Animals

CAUTION

Harmful if swallowed. Causes moderate eye irritation. Avoid contact with skin, eyes or clothing. Remove contaminated clothing and wash before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wash thoroughly after handling. Avoid contamination of food and feed.

Environmental Hazards

This product is extremely toxic to fish. Do not contaminate water when disposing of equipment washwaters. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product into sewer systems with previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

ONLY FOR THE FORMULATION INTO INSECTICIDES for the following use(s): Terrestrial Non-Food, Residential Indoor/Outdoor and Indoor Non-Food.

Formulators using this product are responsible for obtaining an EPA registration for their products.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage and Spill Procedures: Store upright at room temperature. Avoid exposure to extreme temperatures. In case of spill or leakage, soak up with an absorbent material such as sand, sawdust, earth, fuller's earth, etc. Dispose of with chemical waste.

Pesticide Disposal: Pesticide, spray mixture or rinse water that cannot be used according to label instructions must be disposed of at or by an approved waste disposal facility.

Container Disposal: Triple rinse (or equivalent) then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other approved state and local procedures.

WARRANTY STATEMENT

Our recommendations for the use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.
