 X Registration
 Reregistration

Name of Pesticide Product:

Esbiothrin Mosquito
Repellent Coils

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Agrevo Environmental Health
95 Chestnut Ridge Road
Montvale, NJ 07645

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.
2. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 432-819".
 - b. Add the following to the Directions for Use:
 1. "Cover exposed food to avoid contamination."
 2. "For shorter periods of use, break the coil into desired length and place in notched cut out of holder."
3. Submit three copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

KEEP OUT OF REACH OF CHILDREN
CAUTION
STATEMENT OF PRACTICAL TREATMENT

IF INHALED: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

IF ON SKIN: Wash skin with plenty of soap and water. Get medical attention if irritation persists.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

See Side Panel for Additional Precautionary Statements

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION. Harmful if inhaled. Harmful if absorbed through skin. Causes eye irritation. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Avoid breathing vapors. Remove contaminated clothing and wash clothing before reuse.

Physical or Chemical Hazards

Use with caution to avoid fire hazard. ✓

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Storage and Disposal

Storage: Store in a dry place (preferably locked) inaccessible to children and pets and away from sources of heat or ignition.

Disposal: Do not reuse empty container.

USED COILS: Sweep ashes into trash.

UNUSED COILS: Wrap container and any unused coils in newspaper and discard in trash.

Case exposed food to avoid contamination.
 Loosen coils until ends move freely. Grasp each end in the center between thumb and forefinger of each hand and separate the two coils by gently pressing them apart. Hold one end and shake lightly or gently pry to separate the coils. Insert top of coil stand into slot in end of coil. Light the outer end of the coil and let burn (flame) approximately 1/4 inch or less. Blow out the flame and allow the coil to smolder until extinguished. For best results, do not use in wind. Coil burns 6-8 hours in still air.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

AgrEvo Environmental Health
 95 Chestnut Ridge Road
 Montvale, New Jersey 07645

Add: For shorter periods of use, remove the coil instead of the stand and burn the coil out of the holder.
