17

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is unconditionally registered in accordance with FIFRA sec. 3(c)(5). Once a pesticide is registered, however, it is not regarded as permanently acceptable. Registration does not eliminate the need for continual reassessment of pesticides. If the Agency determines that, at any time, additional data are required to maintain in effect an existing registration, the Agency will require submission of such data under FIFRA section (3)(c)(2)(B).

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 432-822".
- b. Under Hazards to Humans & Domestic Animals you should delete the statement: "Contact with product may cause transient tingling and reddening of the skin."

Signature of Approving Official:

Date:

- c. Delete "tomatoes in residential gardens." Deltamethrin is not registered for use on tomatoes in the U.S.
3. The Acute Toxicity Data has been secondary reviewed by The Agency and has been assigned the following toxicity categories:

	GRN	MRID #	TOX CAT.	CLASSIFICATION
Acute Oral	§81-1	438888-04	IV	Acceptable
Acute Dermal	§81-2	439460-01	IV	Acceptable
Acute Inhalation	§81-3	438888-05	IV	Acceptable
Primary Eye Irritation	§81-4	439460-02	III	Acceptable
Primary Skin Irritation	§81-5	438888-06	IV	Acceptable
Dermal Sensitization	§81-6	438888-07		Non-Sensitizer

- 4. Product Chemistry have been reviewed and are acceptable.
- 5. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

432-822

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
CAUTION**

Causes moderate eye irritation. Avoid contact with eyes or clothing. Contact with product may cause transient tingling and reddening of the skin. Wash thoroughly with soap and water after handling.

ENVIRONMENTAL HAZARDS

This product is extremely toxic to fish and other aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. This product is intended for formulation use only. The formulator using this concentrate is fully responsible for obtaining EPA registration for his formulated products.

Only For Formulation Into An Insecticide For The Following Uses: In and Around the Non-Food Areas of Residential, Industrial and Institutional Structures and Their Immediate Surroundings, Various Modes of Transportation and On Tomatoes in Residential Gardens.

STORAGE & DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Do not use or store near heat or open flame.

Pesticide Storage and Spill Procedures: Store upright at room temperature. Keep away from moisture. In case of spill or leakage, sweep up and dispose of with chemical waste.

Pesticide Disposal: Pesticide, spray mixture or rinse water that cannot be used according to label instructions may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

WARRANTY STATEMENT

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibilities, including injury or damage, resulting from its misuse as such, or in combination with other materials.
